for the 1953 through 1960 MAC 350cc Spring Frame model It includes 1 a reproduction of the original January 1960 factory  
Service Manual part number F 469 3R 2M and 2 a reproduction of the original May 1953 illustrated Spare Parts List part  
number F 473 The total number of pages in this manual is 128 However both the Service Manual and the illustrated Parts  
List have their own individual index and page numbers Consequently the Parts List begins immediately after page 88 of the  
Service Manual We encourage you to exercise caution when purchasing technical publications for your Velocette as many of  
the reprints found on internet websites are from bedroom sellers at enticingly low prices by individuals that really have no  
idea what they are selling Many are nothing more than poor quality comb bound photocopies that are scanned and printed  
complete with greasy pages and thumbprints and as such are deceptively described as pre owned used or even refurbished  
In addition they are often advertised for the incorrect series and or model years However VelocePress com has been  
publishing reprints of motorcycle and automobile manuals since 2003 and our publications have earned excellent reviews  
worldwide so you can be assured you are purchasing a quality product      **Penton Jackpiner 175cc Spare Parts Manual -**
