**Sustainable Innovation Cultures** Henning Breuer, Kiril Ivanov, 2025-12-22 There is a saying that it takes a village to raise a child Similarly it takes a whole Culture to achieve sustainable innovation in a repeatable and reliable manner So how can companies and nonprofit organizations turn sustainability strategies into real world practice How can they innovate to gain a competitive edge while contributing to sustainable and regenerative development And where should you as an innovation sustainability or human resource manager begin In this first comprehensive work on sustainable innovation cultures the authors Show how organizational culture translates sustainability related values into environmentally socially and economically valuable outcomes By aligning sustainability literacy with appropriate practices and mediating artefacts

including those of artificial intelligence virtuous circles of targeted output valuable outcomes and desired impacts can be created Three stages of activity are crucial if an organization is to grow a sustainable innovation culture namely conceiving co creating and cultivating First understand and specify the organization s values tensions and values action gaps then co create targeted interventions and finally cultivate sustainable innovation practices and methods This framework and its practices and methods are based on a comprehensive literature review expert interviews and ethnographic field studies in transformational companies across Europe with a global presence Case studies and examples illustrate each of the 32 practices and 36 methods described in the book The companion site offers extensive training educational media and materials such as card sets videos podcasts and slide decks for practitioners and educators Academic syllabi as well as certified educational materials and university modules are available on an open access basis *Parenting* Loredana Benedetto,Massimo Ingrassia,2021-01-27 Along with development parents and children are involved in reciprocal exchanges within which both co adapt their emerging relationships With this transactional assumption the eco cultural approach stimulates researchers to study parenting from a complex perspective and to consider multiple influences shaping children s and families lives This book offers a wide concrete eco cultural perspective on parenting addressing current issues such as wellbeing and emotional security sibling relationships vulnerable children family school partnerships digital parenting adolescence and risks resilience in adversity and immigration and cultural diversity Written by researchers from all over the world the twelve chapters in this volume testify to the strength of the plurality method for approaching parenting

Corporate Strategies Under International Terrorism and Adversity Gabriele G. S. Suder,2006 Corporate Strategies under International Terrorism and Adversityraises key issues facing international business and management in an era of global uncertainty Gabriele Suder s second edited book about the security business nexus analyses and evaluates the main strategic and operational responses to global commerce and management The contributors explore the complexities and linkages of firms industries organizational structures international relations markets and terrorism networks They investigate these networks and offer insight into the strategic behavior of international firms The authors likewise examine corporate management and performance issues that encompass internationalization and location decisions global supply chain management and brand portfolio challenges The book concludes by outlining future challenges and with a discussion of the crucial issues that remain open and that will be shaped by the geopolitical context and the way business adapts its corporate strategies Designed to offer key tools for risk assessment and management in this field this important book will be invaluable to risk strategists CEOs of international firms credit risk analysts and academics with an interest in international business and or risk management *Vulnerability and the Legal Organization of Work* Martha Albertson Fineman,Jonathan W. Fineman,2017-07-06 This book uses the concepts of vulnerability and resilience to analyze the situation of individuals and institutions in the context of the employment relationship It is based on the premise that both employer and employee are

vulnerable to various social economic and political forces although differently so It demonstrates how in responding to those complementary institutional relationships of employer and employee the state unequally and inequitably favors employers over employees Several chapters included in this collection also consider how the state shapes creates and maintains through law the social identities of employer and employee and how that legal regime operates as the allocation of power and privilege This unique and fundamental role of the state in defining the employment relationship profoundly affects the respective abilities and degree of resiliency of actual employers and employees Other chapters explore how attention to the respective vulnerability and resilience of those who do and those who direct work in assessing the employment relationship can raise fundamental questions of social justice and suggest new avenues for critical engagement with labor and employment law Collectively these pieces articulate a framework for imaging what would constitute an appropriately Responsive State in the employment context and how those interested in social justice might begin to use the concepts of vulnerability and resilience in their arguments

Fathering Across Diversity and Adversity: International Perspectives and Policy Interventions Andrea Doucet,Elihu Katz,Paddy Scannell,Rosalind Edwards,Frank F. Furstenberg,2009-07-15 Over the past few decades scholarly and policy interest in fatherhood and fathering has burgeoned in large part because of profound social changes in women s and men s lives in the last half of the twentieth century However this research has remained largely national in focus with little cross cultural dissemination of knowledge about fathering practices and supportive or constraining social policies This insightful volume presents a transatlantic perspective on fatherhood and fathering comparatively across nation states as well as in individual countries including the United States Canada United Kingdom and Norway Exploring the diversity of fatherhood it encompasses differences across social class race and ethnicity age and life course and varied household formations The articles examine young fathers separated and divorced fathers fathers from minority ethnic and immigrant groups working class fathers new fathers gay fathers and fathers of children with special needs Readers can gauge the different epochs of fathering over time and explore the tension that fathers may experience between being good financial

providers and actively caring for their children Authored by leading figures in fathering research from North America Europe and Scandinavia the multilayered and intriguing articles in this volume of The ANNALS point toward the need for sustainable policy frameworks that enable fathers to be involved in their children s lives in ways that do not include biased assumptions about the expression of that involvement     *Hacking Digital: Best Practices to Implement and Accelerate Your Business Transformation* Michael Wade,Didier Bonnet,Tomoko Yokoi,Nikolaus Obwegeser,2021-09-28 Improve your business performance through digital transformation Digital transformation has become commonplace across public and private sector organizations and yet most struggle to achieve tangible results from it Many make avoidable mistakes or fall into simple traps along the way Written by a team of global digital transformation thought leaders Hacking Digital provides practical advice and information that you need to successfully transform your organization Hacking Digital is organized into six easy to follow sections Initiating Your Digital Transformation Setting Up the Right Organizational Dynamics Working with the Outside World Creating Value in New Ways Leading People and Organizations Anchoring and Sustaining Performance How do you create a sense of urgency How do you set up digital governance How do you create successful digital offerings How do you manage the relationship between digital transformation and IT How do you scale digital initiatives Hacking Digital answers these and many other questions you need to transform your organization and seize a competitive edge for years to come [www.hackingdigital.org](http://www.hackingdigital.org)     *Library User Education in the New Millennium* Julia K.
