Flying with the Fifteenth Air Force Tom Faulkner,2018-11-15 In 1944 and 1945 Tom Faulkner was a B 24 pilot flying out of San Giovanni airfield in Italy as a member of the 15th Air Force of the U S Army Air Forces Only 19 years old when he completed his 28th and last mission Tom was one of the youngest bomber pilots to serve in the U S Army Air Forces during World War II Between September 1944 and the end of February 1945 he flew against targets in Hungary Germany Italy Austria and Yugoslavia On Tom s last mission against the marshalling yards at Augsburg Germany his plane was severely damaged and he had to fly to Switzerland where he and his crew were interned The 15th Air Force generally has been overshadowed by works on the 8th Air Force based in England Faulkner s memoir helps fill an important void by providing a first hand account of a pilot and his crew during the waning months of the war as well as a description of his experiences before his military service David L Snead has edited the memoir and provided annotations and corroboration for the various missions

Airpower and the Normandy Campaign Michael Bechthold,2025-09-16 This essential work reframes the conversation about airpower in Normandy and offers a deeper understanding of its role in the Allied victory With fresh viewpoints for both scholars and practitioners of military history comprehensive research and expert analysis inspire further debate and exploration on the enduring legacy of airpower in modern warfare During the spring and summer of 1944 air superiority was essential for the success of Operation Overlord Allied air forces provided pivotal support across multiple domains from the elimination of the Luftwaffe and the protection of the invasion fleet to the tactical air support that facilitated ground operations Yet despite its undeniable significance the role of airpower has often been overshadowed by the more conventional ground battles The nuanced scholarship in this collection delves into complexities of air operations in Normandy through both traditional military histories and emerging perspectives Covering the roles of the Royal Air Force the U S Army Air Forces and the Luftwaffe and with an international scope that incorporates British American Canadian Australian French and German viewpoints a core theme throughout is the integrated nature of Allied air ground and naval forces during the campaign Using a joint or purple perspective the contributors highlight the interservice collaborations and the tensions that arose between them pointing out the operational dynamics essential to the overall success of the invasion Several case studies critically assess the successes and failures of airpower during the landings and the subsequent fighting and offer in depth analyses of specific air operations such as the bombing raids in the early days of the invasion the attack on Cherbourg and the effectiveness of U S heavy bombers in Operation Cobra The impact of airpower on French civilians particularly from bombing campaigns is another key theme underscoring the complex consequences of wartime aerial bombardment
