

Part 2: Interview Trainer

2.1 Interactive Interview Trainer

You can learn "about" interviews by reading books, or watching videos. However, you cannot learn interview skills without "going" through the actual experience of actually participating in interviews.

With 250+ Interactive Interviews Trainer you can attempt any number of random interviews in a "practice environment", until you gain the expertise to handle tough interview situations and confidently command your worth.

The step-by-step method to use the Professional Interview Trainer:

1. **Watch the practice interview**, and hear the best questions from the experts. You can replay the interview till you clearly understand the question. You can also read the question in English subtitles.
2. **Answer the question** to the best of your knowledge. You can attempt infinite number of times to fine-tune your answer. (With language subtitles)
3. **Watch the best responses**: You can refer to the best responses for each question. These answers combine the key points, words and phrases that interviewers look for.
4. **Read "Candidate's mistakes**: A quick appraise and recognize why interviewers ask these questions and what they expect in an answer. What you should say and what you should not say, etc.

2.2 Chemical Engineering Competency Tests

Expert Interviewer Interview Trainer contains a series of tests with an objective of comparing the knowledge to the most asked questions in a professional interview.

These questions are representative of the experts in the field and can be used for many other competitive examinations besides Chemical Engineers.

2.3 Questions & Insights, & Learning from Others' Mistakes

Surveys reveal 80% of candidates don't understand the hidden meaning of the questions. Therefore, this section contains over 1000+ questions, their hidden meanings, sample answers, words and phrases to use while answering etc.

Understanding Your Role & Abilities, Determining Your Responsibilities, Evaluating Your Goals and Objectives, Overcoming Why You Are The Best Fit, Highlighting Your Abilities & Knowledge, Providing Details about Your Education, Matching Your Answer Questions, Asking Questions, etc.
