Sincerity After Communism Ellen Rutten,2017-01-01 Cover Half title Title Copyright Contents Preface Introduction Sincerity Memory Marketing Media 1 History Situating Sincerity 2 But I Want Sincerity So Badly The Perestroika Years and Onward 3 I Cried Twice Sincerity and Life in a Post Communist World 4 So New Sincerity New Century New Media Conclusion Sincerity Dreams Notes Bibliography Index A B C D E F G H I J K L M N O P R S T U V W Y Z Disinformation, Narratives and Memory Politics in Russia and Belarus Agnieszka Legucka,Robert Kupiecki,2022-07-05 This book examines the ways in which Russia and Belarus use disinformation weaponised historical narratives and the politics of memory for domestic and foreign policy purposes utilising these factors to justify aggressive foreign policy in defensive terms and domestically for legitimating local ruling elites consolidating the states propaganda machines and mobilising both societies around national power centres Besides analysing Russian and Belarusian disinformation geopolitical narratives and policies the book also assesses the effectiveness of these measures and discusses how the West can counteract the geopolitical narratives disseminated by Russia and Belarus that attempt to undermine Western democracies and weaken the resilience of its societies **Information Sharing in Military Operations** Irina Goldenberg,Joseph Soeters,Waylon H. Dean,2016-12-07 This volume explores the interpersonal organizational and technological enablers and barriers to information and intelligence sharing in multinational and multiagency military humanitarian and counterterrorism operations To this end the contributions present case studies and other empirical research UN and special operations headquarters are studied along with multinational operations in Mali Iraq and Afghanistan by the UN and by U S Central Command Perennial themes are the need for a holistic approach to information sharing one that incorporates all the above enablers and the importance of learning from experience which should be the basis for operational planning There is still considerable ground to be gained in enhancing the efficacy of information sharing in the context of defense and security and the present book contributes to this goal **The SAGE Handbook of Propaganda** Paul Baines,Nicholas O'Shaughnessy,Nancy Snow,2019-11-25 The SAGE Handbook of Propaganda unpacks the topic of propaganda to explain how it invades the human psyche in what ways it does so and in what contexts *ECCWS2015-Proceedings of the 14th European Conference on Cyber Warfare and Security 2015* Dr Nasser Abouzakhar,2015-07-01 Complete proceedings of the 14th European Conference on Cyber Warfare and Security Hatfield UK Published by Academic Conferences and Publishing International Limited **International Broadcasting and Its Contested Role in Australian Statecraft** Geoff Heriot,2023-03-14 This book offers an insightful reappraisal of international broadcasting as discursive rather than soft power in service of democratic statecraft This at a time when issues of transnational media the credibility of news and the perils of disinformation and information warfare figure worryingly in public discourse Reflecting the perspective of middle power Australia author Geoff Heriot locates the strategic utility of multiplatform international broadcasting with reference to contemporary theories of soft hard smart power projection and

intercultural communication He applies a fresh model of strategic analysis to the political history of Radio Australia examining the various external and internal variables that resulted in its flawed success in political communication during the late Cold War period

Digital Transformation and Public Services (Open Access) Anthony Larsson, Robin Teigland, 2019-10-08

Through a series of studies the overarching aim of this book is to investigate if and how the digitalization digital transformation process affects various welfare services provided by the public sector and the ensuing implications thereof Ultimately this book seeks to understand if it is conceivable for digital advancement to result in the creation of private non governmental alternatives to welfare services possibly in a manner that transcends national boundaries This study also investigates the possible ramifications of technological development for the public sector and the Western welfare society at large This book takes its point of departure from the 2016 Organization for Economic Co operation and Development OECD report that targets specific public service areas in which government needs to adopt new strategies not to fall behind Specifically this report emphasizes the focus on digitalization of health care social care education and protection services including the use of assistive technologies referred to as digital welfare Hence this book explores the factors potentially leading to whether state actors could be overrun by other non governmental actors disrupting the current status quo of welfare services The book seeks to provide an innovative enriching and controversial take on society at large and how various aspects of the public sector can be and are affected by the ongoing digitalization process in a way that is not covered by extant literature on the market This book takes its point of departure in Sweden given the fact that Sweden is one of the most digitalized countries in Europe according to the Digital Economy and Society Index DESI making it a pertinent research case However as digitalization transcends national borders large parts of the subject matter take on an international angle This includes cases from several other countries around Europe as well as the United States
