Bolstered by the Silicon Valley tech boom Oakland has become one of the most desirable places to live in the entire country all while its sports fans are increasingly made to feel that in the famous words of Gertrude Stein There is no there there What

is it about Oakland that inspires such wanderlust in its professional teams Featuring numerous conversations with luminaries across sports politics and economics this new book explores Oakland s fascinating and paradoxical identity as a sports town while illuminating a cast of characters as diverse as the city itself rogues superstars movers and shakers operating on and off

the field and the ill treated fans Through the insight of venerated Oakland Tribune scribe Dave Newhouse and sports business leader Andy Dolich readers will come to appreciate the many quirks and challenges that define The Town
