Jennifer Fulton,Scott M. Fulton,2005 These days nobody really wants to learn everything there is about a software product like Photoshop Elements And even if you did who has the time to endlessly tinker and play with it until you figure everything out You just want a book that will quickly show you how to do things with Photoshop Elements things that aren't already covered in the docs and things you can't just figure out on your own Adobe Photoshop Elements in a Snap is designed specifically for today's computer user Somebody who is new to Photoshop Elements but not new to computers Somebody who doesn't have time for long winded mind numbing explanations and certainly no time or patience for bad jokes If that sounds like you check out this book Comprised of a series of well organized bite sized quickly accomplished tasks the book lets you zero right in on the one particular task you want to accomplish quickly figure out what to do do it and then get back to work
