Wise, 2008-02-19 When the Church gets lost in the maze of competing cultural agendas its revolutionary message and life giving influence are compromised and eventually consumed This increasing marginalization is exactly what began to happen in the latter half of the twentieth century Many say the answer is for the Christian community to seek a more prominent position in society but respected teacher and best selling author Dr Robert L Wise contends that we must confront the surrounding culture with a

deeper understanding of Christ's resurrection Only by recovering and sharing the resurrection of the living Lord can the Church reclaim the experience of the first believers who found in the resurrection a doorway to personal redemption that in turn transformed society around them The Son Rises is a fresh exploration of Jesus Christ's resurrection from the dead and His promise of continuing relationship with those who believe in Him **Gospel Without Borders** Jim Rotholz, 2015-03-04 To what degree does culture facilitate or distort the Christian faith the gospel of Jesus and the life of the church In America the distortion is enormous Gospel Without Borders carefully examines the complex intersection of culture and faith in America providing insights that allow for better understanding and a more genuine experience of biblical and historic Christianity Gospel Without Borders analyzes the formative and interactive roles that human nature and cultural history play in contemporary expressions of Christianity in America It outlines their profound but little appreciated influence upon the shape and scope of Christian faith within society at large the church and the lives of individuals The study illuminates the dimensions of a largely unheralded gospel message characterized by unimpeded faith that fully accords with the kingdom Jesus stridently proclaimed It outlines the dimensions of faith freed from the disappointing forms of culturalized Christianity that always prove insufficient on a personal level and woefully inadequate to the demands of contemporary life within our globalizing world Today's world can only be effectively impacted through a gospel without borders a compelling gospel most Americans have yet to hear and too many Christians of every cultural and denominational background have yet to fully embrace *Testing Prayer* Candy Gunther Brown, 2012-04-30 Drawing on medical records surveys of prayer recipients prospective clinical trials and multiyear follow up observations and interviews Brown shows that the widespread perception of prayer's healing power has demonstrable social effects which can in some cases produce improvements in health that can be scientifically verified **A Call to Compassion** James W.
