Misbehave Speak Truth To Power

Robert Owen

Misbehave Speak Truth To Power:

Misbehave Dawn Nicole Martin, 2011 Even after the advances of the last few decades women are still subjected to a type of scrutiny and cultural vetting that most men do not dream of and cannot understand Reading the stories of women who have made a difference has convinced me the author that despite the successes of the past so much more remains to be done Inside front cover

The Essential Book of Business and Life Quotations, 2023-01-17 An up to date book of quotations for executives academics and anyone who wants to spice speeches and business presentations or simply reflect on some of the best things ever said on topics linked to business and management life in general From Aristotle to Mark Zuckerberg and from Action to Work this book is a formidable source of witty remarks and inspiration for all Best of its kind and fully sourced the book also covers modern topics such as Bitcoins Digitalization Sustainability or Fake News and includes a large number of quotations never published before

The Art of Agile Product Ownership Allan Kelly, 2019-09-27 Every product owner faces a complex and unique set of challenges within their team This provides each individual the opportunity to fill the role with different ambitions skills and insights Your product ownership journey can take a variety of paths and The Art of Agile Product Ownership is here to be your guide Author Allan Kelly who delivers Agile training courses to major companies pulls from his experience to help you discover what it takes to be a successful product owner You will learn how you need to define your role within a team and how you can best incorporate ownership with strategy With the Agile method time is the key factor and after using the lessons from this book you will confidently be able to synthesize features functionality and scope against delivery You will find out how other team members such as the UX designer and business analyst can support and enhance your role as product owner and how every type of company structure can adapt for optimal agility The Art of Agile Product Ownership is a beacon for current product owners programmers who are ready to take the next step towards ownership and analysts transitioning into the product space This book helps you determine for yourself the best way to fill the product owner role so that you utilize your unique combination of skills Product ownership is central to a successful Agile team and after reading this book you will be more than ready for the challenge What You Will Learn Explores activities the product owner needs to do in order to write good and valuable user stories Identifies skills product owners can learn from product managers and business analysts Demonstrates how to make decisions based on business and customer demand rather than technical needs and feasibility Who This Book Is For This is a book for anyone becoming a product owner developers and programmers who after some years at the code face are ready to step up to the next stage to own the product that they have been coding Business Analysts and Product Managers who see themselves transitioning into the a product owner role will find value in this book in understanding their new role and how the work is the same and how it is different

Principles of Practice by Principal Social Workers Tanya Moore, 2025-02-28 A must have text for social work students and practitioners which draws on the extensive years of experience of Principal Social Workers to shed light on contemporary

issues Principal Social Workers are highly skilled and experienced professionals who lead and support social work practice and develop new social workers and social care practitioners They are senior managers but also remain actively involved with frontline practice so they can report on the views and experiences of practitioners at all levels Their experience and knowledge is a hitherto untapped goldmine This book draws upon the years of experience that are represented within the role and gives a voice to the experience of PSWs Accessible and accurate these chapters discuss contemporary practice issues such as sustainability poverty and racism Common to all the chapters is the central position of the relationship in social work practice This book will give food for thought to any social worker or social work care practitioner This book offers a refreshing and accessible take on contemporary practice issues Presented in an accessible style each chapter displays an area of practice that has personal resonance for the author It encourage critical thinking by taking a broader concept and asking the reader what does this mean for social work practice
