Bernard F. Dick

Missing Stars Fallen Sparrows:

Missing Stars, Fallen Sparrows Nick Palermo, 2013-09 Missing Stars Fallen Sparrows takes you to the heart of discovering and loving kids with disabilities Author and Young Life Capernaum Founder Nick Palermo reveals a powerful and rewarding ministry that's changing youth groups churches and leaders across the U S and around the world I had to write this book because I want you to meet my friends hear their voices and know their stories Discover these missing stars and fallen sparrows precious not only to God but to me and thousands of others too Missing Stars Fallen Sparrows is so much more than a rationalization for inclusiveness or a how to guide for disability ministry The book's core is probably best captured in the title of one its most hard hitting and funniest chapters Be comfortable with being uncomfortable

Redefining Perfect Amy E. Jacober, 2017-12-05 Theology and disability have not always had an easy relationship The interactions have ranged from downright hostile to indifferent or unintentionally excluding over the centuries This theology book chooses instead to include those with disabilities after more than a decade of consideration and study This results in a re examination of major theological topics and the impact on the lives of those with disabilities their family and friends and the community at large The focus of the book is to move the church beyond welcome to inclusion where those with disabilities move from a guest of the community to equal and valued member of the community While the book is about the theological inclusion of those with disabilities its implications reach far beyond It sets an approach for all people to find a place where they too may live in the fullness of Christian community Stories of personal encounters are blended with explanations of doctrinal perspectives giving the reader a chance to connect knowledge with wisdom born from real life experience

Tracing His Goodness Colleen Bundy, 2018-08-27 In September of 2015 my 24 year old daughter Marissa was diagnosed with Stage III triple negative breast cancer I started this blog as a way to trace God's goodness through the hard After 20 weeks of chemo and a double mastectomy the cancer recurred in May 2016 She courageously fought for 10 more months On March 6 2017 Marissa finished her fight here and went home to glory where she is right now fully experiencing God's goodness We miss her but we trace His goodness as we continue our journey without her Someday we will see her Someday we will weep no more Someday we will see all the glories of God displayed Until then we know Him We trust Him He is good
