

Mission Accomplished: Wicked Cartoons by America's Most Wanted Political Cartoonist

#### Description :

In an increasingly polarized political world, Bendib happens to be both "us" and "them", a walking oxymoron - a "Clash of Civilizations" made flesh. As a non-white political cartoonist with an in-your-face, non-Eurocentric perspective, a voice of the marginalized and the underdog, a corporate narrative, Bendib's cartoons shine a light on such top issues as the dependence of money on democracy, African-American and immigrant issues, environmental degradation, labor and class struggle, US imperialism and Zionism, as well as the complicity of our Christian mass media in maintaining the status quo.
