By employing a close and detailed reading of the holy text in its proper context, Anderson is able to clarify and expound upon the true meanings expressed. Several of the New Testament Gospel teachings are often misconstrued or oversimplified; their overall meaning or simply the depth of the passages are neglected. The author could not stand for such deficient scholarship of the Bible and so published this informed commentary. Several of the passages isolated concern comments made by Biblical figures such as the Apostles John, Matthew, and Paul. How their words are misread, downplayed, or simply ignored in the schema of the New Testament lore is first identified, then dismissed by the author. Often Anderson cites other passages in the Old and New Testament books which carry relevance or support the truth of the verse concerned. *Misunderstood Texts of the Bible* Robert Anderson, 2015-10-13 Sir Robert Anderson was a theologian and religious writer who also served as the Assistant Commissioner of the London Metropolitan Police.
