Current and Emerging Issues in the Audiovisual Industry Mercedes Medina, Mónica Herrero, Alicia Urgellés, 2017-02-07 This book focuses on the challenges of competition in television broadcasting markets. How is the evolution from a two-sided market to platform economics reshaping competition in television broadcasting? How are new market dynamics changing competition for content creation and acquisition and the revenue streams? Will content remain king? Or will new competitive dynamics undermine the sustainable creation of high-quality content, especially in small media markets?

The Netflix Effect Kevin McDonald, Daniel Smith-Rowsey, 2016-08-11 Netflix is the definitive media company of the 21st century. It was among the first to parlay new Internet technologies into a successful business model and in the process it changed how consumers access film and television. It is now one of the leading providers of digitally delivered media content and is continually expanding access across a host of platforms and mobile devices. Despite its transformative role, however, Netflix has drawn very little critical attention, far less than competitors such as YouTube, Apple, Amazon, Comcast, and HBO. This collection addresses this gap as

the essays are designed to critically explore the breadth and diversity of Netflix's effect from a variety of different scholarly perspectives a necessary approach considering the hybrid nature of Netflix its inextricable links to new models of media production distribution viewer engagement and consumer behavior its relationship to existing media conglomerates and consumer electronics its capabilities as a web based service provider and data network and its reliance on a broader technological infrastructure *Billboard*, 2004-08-07 In its 114th year *Billboard* remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform *Billboard* publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends
