13 000 hints We've done more than just copying and pasting the hints from the site though. We've also rewritten them all in a clear, straightforward fashion, complete with screenshots to make them as easy to use as possible. We've tried to address nearly every aspect of Snow Leopard, including customizing the look of Finder windows, searching hidden system files with Spotlight, and making the most of OS X navigation tools like Quick Look, Expos and Spaces. Save time with undocumented shortcuts and unlock powerful file sharing and printing features. Follow the step-by-step advice on squeezing more power from OS X's productivity programs, including Mail, iCal and iChat. Track down anything online and stay organized with Safari tips. Finally, take a trip to Terminal. If you're new to OS X's command line interface, we'll show you how to get started and how to protect yourself from dangerous actions. If you're a command line veteran, you'll find tips for taking advantage of hidden commands and strategies for working in Terminal more efficiently. And yes, if you are still using Leopard, we've still have the previous version of this book available. If you're looking to get the most out of Snow Leopard, this book is a great way to help you do just that.
