**Mining eBay Web Services** John Paul Mueller, 2006-02-20 Improved Speed Accuracy and Convenience Yours for the Taking

eBay is continuously improving the features it offers buyers and sellers Now the biggest improvements are ones you can build for yourself

Mining eBay Web Services teaches you to create custom applications that automate buying and selling tasks and make searches more precise Do you have dozens of items to sell You can prepare complete descriptions and terms and submit them all with one click Are you searching for an item with special purchasing or shipping conditions You can t do this manually but your custom application can Would you benefit from charting your buying and selling trends This book shows you how to mine and organize information that simply isn t available otherwise All by itself the improvement in speed will dwarf anything you ve experienced especially if you connect to eBay via dial up But speed is just one piece of an entirely new way of navigating the eBay marketplace Here s a little of what you ll find covered inside

Creating new listings in bulk and automatically submitting them

Getting all the facts you need about an item in one step

Performing searches based on shipping or payment terms

Completing tasks more quickly by working with locally stored eBay data

Working with eBay s new authentication and authorization technology

Ensuring the accuracy of your listings

Quickly accessing buyer and seller information

Using the new Java and SOAP interfaces

Using calls to perform tasks not supported by the manual interface

Charting trends in your buying and selling habits

Tracking eBay listings with mobile

devices Developing secure applications Automatically submitting feedback in batches You ll learn to do all of this and more using the language of your choice JavaScript VBA Visual Basic 6 Visual C 6 Visual Basic NET C PHP or Java You also get all the details on participating in various eBay developer programs where everything you need as an individual is completely free **Moody's Industrial Manual** ,1989 Covering New York American regional stock exchanges international companies
