Nicholas Nickleby Charles Dickens, 1871 **Nicholas Nickleby** Charles Dickens, 2017-07-13 The classic book has always read again and again What is the classic book Why is the classic book READ READ READ then you'll know it's excellence *Nicholas Nickleby* Charles Dickens, 2014-10-23 Of the monstrous neglect of education in England and the disregard of it by the State as a means of forming good or bad citizens and miserable or happy men private schools long afforded a notable example Although any man who had proved his unfitness for any other occupation in life was free without examination or qualification to open a school anywhere although preparation for the functions he undertook was required in the surgeon who assisted to bring a boy into the world or might one day assist perhaps to send him out of it in the chemist the attorney the butcher the baker the candlestick maker the whole round of crafts and trades the schoolmaster excepted

and although schoolmasters as a race were the blockheads and impostors who might naturally be expected to spring from such a state of things and to flourish in it these Yorkshire schoolmasters were the lowest and most rotten round in the whole ladder Traders in the avarice indifference or imbecility of parents and the helplessness of children ignorant sordid brutal men to whom few considerate persons would have entrusted the board and lodging of a horse or a dog they formed the worthy cornerstone of a structure which for absurdity and a magnificent high minded Laissez Aller neglect has rarely been exceeded in the world
