Consumers and Consumption in Comparison Eivind Jacobsen, Pål Strandbakken, Arne Dulsrud, Silje Elisabeth Skuland, 2024-12-12 Providing a theoretically informed discussion of the specificities of sociology of consumption **Consumers and Consumption in Comparison** focuses on three main approaches Consumption and social inequality Consumption and gender and Consumption and social movements

Metaversed Luis Bravo Martins, Samantha G. Wolfe, 2022-12-22 Understand the coming metaverse and discover how to look past the hype and harness the future of technology **Metaversed** is an insightful discussion and analysis of the next rapidly approaching technological revolution The authors deliver a compelling new exploration of how the metaverse and emerging technologies combine to define our collective future In addition to identifying the business opportunities the book pulls back the curtain on major safety and privacy issues that will arise and the expected shifts in both our private and social spheres In the book you ll understand How multiple industries will be changed and challenged in a 3D spatial world and how to navigate the future crypto ladden business landscape Legal and policy considerations necessary to build and maintain safe shared digital spaces The economic and social impacts including the potential for our digital lives to outlive our physical selves Actionable insights so you can make the most out of the next digital revolution **Metaversed** is a can t miss presentation of the most significant market opportunities and societal challenges posed by the metaverse It also will empower readers to take positive action that avoids the same online mistakes that happened on social media and create more responsible tech usage habits in our personal and professional lives

Don't Use Your Words! Jane Juffer, 2019-05-28 How children are taught to control their feelings and how they resist this emotional management through cultural production Today even young kids talk to each other across social media by referencing memes songs and movements constructing a common vernacular that resists parental educational and media imperatives to name their feelings and thus control their bodies Over the past two decades children s television programming has provided a therapeutic site for the processing of emotions such as anger but in doing so has enforced normative structures of feeling that Jane Juffer argues weaken the intensity and range of children s affective experiences **Don t Use Your Words** seeks to challenge those norms highlighting the ways that kids express their feelings through cultural productions including drawings fan art memes YouTube videos dance moves and conversations while gaming online Focusing on kids between ages five and nine **Don t Use Your Words** situates these productions in specific contexts including immigration policy referenced in drawings by Central American children just released from detention centers and electoral politics as contested in kids artwork expressing their anger at Trump s victory Taking issue with the mainstream tendency to speak on behalf of children Juffer argues that kids have the agency to answer for themselves what does it feel like to be a kid

Cybersecurity Isabel Praça, Simona Bernardi, Pedro R.M. Inácio, 2025-06-13 This book constitutes the proceedings of the 9th European Interdisciplinary Cybersecurity Conference EICC 2025 which took place in Rennes France during June 18 19

Regulating the Metaverse Ignas Kalpokas, Julija Kalpokienė, 2023-01-26 The metaverse seems to be on everybody's lips and yet very few people can actually explain what it means or why it is important This book aims to fill the gap from an interdisciplinary perspective informed by law and media and communications studies Going beyond the optimism emanating from technology companies and venture capitalists the authors critically evaluate the antecedents and the building blocks of the metaverse the design and regulatory challenges that need to be solved and commercial opportunities that are yet to be fully realised While the metaverse is poised to open new possibilities and perspectives it will also be a dangerous place one ripe with threats ranging from disinformation to intellectual property theft to sexual harassment Hence the book offers a useful guide to the legal and political governance issues ahead while also contextualising them within the broader domain of governance and regulation of digital technologies

New Forms of Civic Resistance and Activism Tine Munk, Elliot Doornbos, Ian Mahoney, 2025-12-16 This interdisciplinary collection examines how contemporary movements are reshaping political social and environmental landscapes through both online and offline means including creative expression and grassroots mobilisation This book analyses non violent activism political resistance mobilisation responses to hate and environmental activism It brings together a wide range of academic perspectives with contributions from scholars and practitioners across the social sciences and humanities political science the natural sciences and environmental studies By examining the synergy between online and offline actions it highlights how these actions are interconnected with online platforms and virtual spaces and in doing so it addresses the urgent need for compelling and legitimate civic resistance strategies in the modern world It explores the intersection of digital platforms and real world action providing fresh insights into how activism is increasingly transcending geographical technological and conceptual boundaries New Forms of Civic Resistance and Activism will appeal to scholars and students of criminology social and political science environmental studies media and communication studies cybercrime and cyber security It will also interest activists policymakers practitioners and general readers who are curious about contemporary social movements This book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license

Conversing in the Metaverse Jieun Kiaer, 2024-07-25 How do metaverse technologies change how we communicate with each other This book explores how existing metaverse technologies affect our communication both verbal and non verbal as well as the ramifications of these effects

Communication is central to the human experience and how we currently communicate and will communicate can affect our sense of identity and relationships with others which can have huge long term societal repercussions Utilising methods of digital ethnography and linguistic landscape this book takes an in depth look at what exactly the metaverse is or will be and tracks the technological and societal trends that surround it To do so it questions what differentiates the metaverse from earlier connected virtual worlds like World of Warcraft or Second Life and features extracts from interviews with the users and developers of current metaverses such as Roblox Minecraft and Gather town It also investigates the impact of the pandemic in changing and accelerating how we communicate in virtual spaces

Roblox Coloring Book for Kids Rob Lox, 2018-12-07 Do you want to give your child a LIMITED EDITION Christmas present that they will SURELY love Like something they would never think of but they will be thrilled to receive THAT That is the kind of gift you want to give them You want to give it a splash of surprise Especially for Christmas It s that time of the year that kids know they will receive something they ve waited a year to have And YOU have the chance to fulfil that wish for that special day They will be staring at that gift under the Christmas tree thinking what is inside and feeling happy that their name is written on it Christmas is Special for them VERY SPECIAL And you wouldn t want them to be disappointed as they open up their gift You wouldn t want that excited face to turn into a frown I mean as an adult you can contain yourself if you don t like a gift you re not going to be like crying over it But when you re a kid you can t help it and you will cry over Christmas presents Can you take to see your kids heartbroken Of course not You would want them to scream OMG This Is The Best Christmas Gift Ever And you know what It is not as hard as you think Just give them something they can brag to their friends You know how kids compare the number of gifts they got Of how Santa fulfilled all their wishes And what is inside their Christmas stocking Can you imagine how they will be the star of the Christmas Eve when they show off their Roblox Coloring book No matter how many gifts their friends have nothing will beat a Roblox merchandise that isn t available anywhere else than here in Amazon And you wouldn t want your kids to spend the time in front of the computer during the holiday season So let this be a source of bonding time for your kids and their cousins Let them run their creativity by talking about the characters and coloring them just the way they like their avatar to look like Be the coolest person in the room by giving them a gift that they will hold the whole day showing off to everyone So if you are still looking for the special gift to give this Christmas this is it Right in front of you Your Kids will love 60 Unique pages with Roblox characters with different avatar items and accessories High Quality Paper it doesn t bleed to the opposite page There is no image at the back in case your kids use markers none of those they colored will be damaged Back page can be a sketch pad for your kids to show more of their creativity So if you are late on your Christmas shopping and is looking for something that could help your kids creativity you want them to have a fun activity to do then get this Roblox Coloring Book that is made exactly to do that Whether you have toddlers preschoolers or kindergarten they will surely love everything about this Beautiful designs that were made to make them run their imagination
