Nj Preschool Sgo S In Teaching:

An Integrated Play-based Curriculum for Young Children Olivia N. Saracho, 2013-03-01 Play provides young children with the opportunity to express their ideas symbolize and test their knowledge of the world. It provides the basis for inquiry in literacy science social studies mathematics art music and movement. Through play young children become active learners engaged in explorations about themselves their community and their personal social world. An Integrated Play Based Curriculum for Young Children offers the theoretical framework for understanding the origins of an early childhood play based curriculum and how young children learn and understand concepts in a social and physical environment. Distinguished author Olivia N Saracho then explores how play fits into various curriculum areas in order to help teachers develop their early childhood curriculum using developmentally and culturally appropriate practice. Through this integrated approach young children are able to actively engage in meaningful and functional experiences in their natural context. Special Features Include Vignettes of children's conversations and actions in the classroom. Suggestions for activities and classroom materials. Practical examples and guidelines. End of chapter summaries to enhance and extend the reader's understanding of young children. By presenting appropriate theoretical practices for designing and implementing a play based curriculum An Integrated Play Based Curriculum for Young Children offers pre service teachers the foundational knowledge about the field about the work that practitioners do with young children and how to best assume a teacher's role effectively. **Children**

Learning Outside the Classroom Sue Waite, 2017-02-13 The new edition of this bestselling textbook continues to help students and professionals understand the importance of getting children learning outside the traditional classroom and is packed full of creative information and ideas for teachers and practitioners to incorporate outdoor activities throughout the school curriculum. Significantly revised and updated the second edition now includes 7 brand new chapters on Methods of assessment and evaluation. Global perspectives on outdoor learning. Developing whole school approaches to indoor and outdoor teaching. Technology and its role outside the classroom. Special Education Needs and Disabilities SEND and learning outdoors. Forest School. The environmental sector and outdoor learning. Whether you're training to become a teacher or already working in the classroom this book demonstrates how the outdoor environment is enriching learning opportunities for children and deepening their connections with the natural world. NOW FEATURING Online resources that include free SAGE journal articles weblinks annotated further readings and video to help translate theory into real life practice. Sue Waite will be discussing key ideas from Children Learning Outside the Classroom From Birth to Eleven in the SAGE Early Years Masterclass a free professional development experience hosted by Kathy Brodie.
