Summer Abernathy wakes up one morning to find her husband missing, three men in her home intent on finding him and the life she's been living based on a lie. Which Kyle Abernathy did she marry? The computer programmer she met in line at the bank. Or the one who was apparently using that image as a cover? The search for her husband and answers takes Summer ever deeper into a world of organized crime where people are used one moment and discarded the next. And with her deepest relationship of trust already shattered, Summer doesn't know who to believe.
