series *Nobody's Angel* Thomas McGuane, 1986-11-12 A novel about a former soldier in Big Sky Country whose life is spiraling out of control from the acclaimed author of *Ninety Two in the Shade* and *Cloudbursts* who is among the most arresting and fascinating writers of his generation. San Francisco Chronicle In McGuane's first novel set in his famed American West, Patrick Fitzpatrick is a former soldier, a fourth-generation cowboy and a whiskey addict. His grandfather wants to run away to act in movies, his sister wants to burn the house down, and his new stallion is bent on killing him. All of them urgently require attention. But increasingly, Patrick himself is spiraling out of control into that region of romantic misadventure and vanishing possibilities that is Thomas McGuane's Montana Nowhere. Has McGuane mapped that territory more precisely or with such tenderhearted lunacy than in *Nobody's Angel*, a novel that places him in a genre of his own?

Nobody's Angel Sarah Hegger, 2022-09 The one that got away, Lucy Flint is back and nobody is thrilled to see her. She blew out of town nine years ago, leaving a trail of destruction in her wake. But she's back, wiser, sober, and ready to mend bridges, make amends, and step up. Lucy might be prepared to leave the past in the past, but the residents of MoWest, however, are not as ready to forgive and forget. Not the least of which is past flame Richard Hunter. Richard has never forgotten his first love, Lucy, and he's also never forgiven her for trampling his heart and his dreams on her way out of town. Lucy's return wakes his old demon, his passion for a woman who has proven over and over again that she's just no good for him. Thrown together by their painful history, and Lucy's ailing father, Richard and Lucy fight not to incinerate their second chance at love and redemption. In MoWest, where so much went wrong, they battle long memories and resentments to find their way back to right.

Nobody Knows, Or, Facts that are Not Fictions, in the Life of an Unknown *Nobody*, William Eddy Barns, 1888

Nobody's Angel Karen Robards, 2011-08-24 In Carolina Colony, the community admired Susannah Redmon, plain eldest daughter of the preacher. Her herbal healing skills made her an angel of mercy; her determination held together the family's farm and her strong will always got her what she wanted, even the buying of a man. But no suitor had ever courted her. Ian Connelly Marquis of Derne had been betrayed, branded a criminal and beaten. Still defiant, he had been indentured and transported to the Colonies, where a bossy, primly proper woman had bought him. But he alone saw the strength of her character, the gold in her tawny hair and in her eyes, the fire of her long hidden desire. Now Susannah owned this magnificently handsome rogue, but it was his passion that could free her imprisoned lonely heart. From the frontier South to society London, or even to hell itself, with her body she would worship him, and with her soul she would love him, for she was *Nobody's Angel*.

Letitia Beresford, daughter of the Earl of Beresford, has always been able to hear her guardian angel, but understanding him is quite another matter when he only speaks in riddles. Now he's warned Lettie that her soul mate and the only man who will ever make her happy will disappear from her life forever unless she acts quickly. Lettie is willing to find him, but who is he? Her angel won't tell her, and

now she's botched the search ruining her best friend's engagement party and infuriating everyone including her parents who decide to ship her off to family in Wrexham until the fuss dies down. Her best friend's adoptive brother Brynne a foundling left on her neighbor's doorstep as an infant is assigned to escort Lettie. Along the journey Lettie realizes that Brynne is her soul mate and to prove it to cynical Brynne she promises him that she will discover his true lineage. Brynne has been in love with Lettie for as long as he can remember but how can a foundling ever hope to marry an earl's daughter? The only hint to his identity is the birthmark on his shoulder in the shape of a wolf. After all these years and no one stepping forward to claim him Brynne knows it will take a miracle to discover the truth. Brynne doesn't believe in miracles nor does he intend to remain in England. He has always been alone in the world and knows he is nobody's angel. With less than two weeks before Brynne leaves her forever can Lettie discover Brynne's identity and prove that love is the greatest miracle of all? This series contains
