*Railroad Nation* Carlos Arnaldo Schwantes, 2025-05-15 From passenger tickets wall

calendars and advertising posters to train orders and bills of lading railroads have left a colorful paper trail across America

In Railroad Nation historian Carlos Arnaldo Schwantes examines a fascinating array of these materials showcasing the railroad industry s incredible variety of eye catching illustrations to enliven their timetables and promotional brochures

Schwantes traces the evolution of railroad commercial art from drab black and white broadsides and text only

advertisements that the early railroads placed in local newspapers to the riotous m lange of color graphics in the early

twentieth century when the visual appeal of public timetables and their thousands of different brochures enticed settlers to

create farms ranches and towns alongside newly laid tracks Railroad Nation offers readers an unparalleled look at the

ephemera of the railroad industry highlighting the vibrant history of railroading in America through its rich tapestry of visual materials    Birmingham free libraries.
