[Value-Based Pricing: Drive Sales and Boost Your Bottom Line by Creating, Communicating and Capturing Customer Value](#) Harry Macdivitt,Mike Wilkinson,2011-09-19 A Groundbreaking Pricing Model for the New Business Landscape Why would any customer choose Brand X over Brand Y regardless of price In a word Value When customers feel they are getting good value from your product or service they are more than happy to pay more which is good news for you and your business Even in today's global market with its aggressive competitors low cost commodities savvy consumers and intangible digital offerings you can outsell and outperform the rest using Value Based Pricing Done correctly this method of pricing and selling helps you Understand your customers wants and needs Focus on what makes your company different Quantify your

differences and build a value based strategy Communicate your value directly to your customers Now more than ever it is essential for you to reexamine the reality of the value you offer customers and this step by step program shows you how Developed by global consultants Harry Macdivitt and Mike Wilkinson Value Based Pricing identifies three basic elements of the Value Triad revenue gain cost reduction and emotional contribution By delivering these core values to your customers through marketing selling negotiation and pricing you can expect an increase in profits productivity and consumer goodwill These are the same value based strategies used by major companies such as Philips Alstom Siemens and Virgin Mobile And when it comes to today s more intangible markets such as consulting services or digital properties like e books and music files these value based strategies are more important than ever So forget about your old pricing methods based on costs and competition Once you know your own value and how to communicate it to others everybody profits     Live Stock Journal

,1899     Hubris Maximus Faiz Siddiqui,2025-04-22 The rise fall and revival of the Caesar of Silicon Valley Elon Musk has cast himself as the savior of humanity an altruistic force whose fortune is tied to noble pursuits from halting our dependence on fossil fuels to colonizing Mars Once frequently heralded as a modern day Edison Musk has taken up a new place in the public consciousness with his growing desire to disrupt not just the automotive and space industries but the policies that shape our nation placing him at the center of America s most complex undertakings in manufacturing politics and defense and technology even as his increasingly erratic personal behavior has raised questions about his stability and judgement Musk famously leads his companies from a bully pulpit eroding guardrails and cutting through red tape whenever possible with little regard for the fallout as long as it serves his larger goals Many in his orbit have seen their lives upended or their careers throttled by believing in his utopian vision As the scale of the wagers he makes with his fortune and concerns about his credibility have grown in recent years he alternately seems to be in complete command or on the verge of a meltdown Yet in the long run he has only become wealthier and now the stakes have risen Thanks to astute political maneuvering Musk is no longer limited to gambling with a company s bottom line or the livelihoods of his workers he is poised to apply his uncompromising approach to business to the foundational rules and regulations that hold our society together At a moment when America s tech gods are more influential than ever Hubris Maximus is a cautionary tale about the pitfalls of lionizing magnetic leaders Washington Post journalist Faiz Siddiqui offers a gripping detailed portrait of a singularly messy and lucrative period in Musk s career as well as a case study in the power of using one s platform to shape the public narrative in a world that can t turn away from its screens     Market Watch ,1981     Information Systems Strategy.
