**Undisruptable** Ian Whitworth, 2021-06-16

Ian Whitworth built national companies from nothing. Coronavirus hammered some of them flat. Yet he's fine with that. Because when the chaos is swirling and fear is in the air, there's opportunity. Now is the time to put yourself in control where no boss or virus can take you down. So many talented people want to give it a shot, yet they're held back by the big business myths. But success is simpler than you think. Ian's businesses run on simple rules: Year 6 maths, basic decency, and no jargon. They've generated numbers that made the bank people say, "We've never seen anything like this before." Ian's advice is so readable that many of his readers have an interest in commerce, just like his dry humour and guidance on living a better life. With chapters such as "Your Success Goals Are Built on Lies" and "Business Whack A Mole Skills", he takes you step by step through the whole entrepreneur experience from the day you open the doors through to when you pay others to run the place for you. Whether you're leading your own business, managing someone else's, or freelancing, *Undisruptable* is the only handbook you need. And one you'll actually enjoy reading to the end.
