The Math Teacher's Toolbox Bobson Wong, Larisa Bukalov, 2020-04-28 Math teachers will find the classroom tested lessons and strategies in this book to be accessible and easily implemented in the classroom. The Teacher's Toolbox series is an innovative research based resource providing teachers with instructional strategies for students of all levels and abilities. Each book in the collection focuses on a specific content area. Clear, concise guidance enables teachers to quickly integrate low prep, high value lessons and strategies in their middle school and high school classrooms. Every strategy follows a practical how to format established by the series editors. The Math Teacher's Toolbox contains hundreds of student friendly classroom lessons and teaching strategies. Clear and concise chapters fully aligned to Common Core math standards cover the underlying research required, technology, practical classroom use and modification of each high value lesson and strategy. This book employs a hands on approach to help educators quickly learn and apply proven methods and techniques in their mathematics courses. Topics range from the planning of units, lessons, tests and homework to conducting formative assessments, differentiating instruction, motivating students dealing with math anxiety and culturally responsive teaching. Easy to read content shows how and why math should be taught as a language and how to make connections across mathematical units. Designed to reduce instructor preparation time and increase student engagement and comprehension, this book explains the usefulness, application and potential drawbacks of each instructional strategy. Provides fresh activities for all classrooms. Helps math teachers work with ELLs, advanced students and students with learning differences. Offers real world guidance for working with parents, guardians and co-teachers. The Math Teacher's Toolbox: Hundreds of Practical Ideas to Support Your Students is an invaluable source of real world lessons, strategies and techniques for general education teachers and math specialists as well as resource specialists, special education teachers, elementary and secondary educators and teacher educators.

Social, Emotional, and Behavioral Supports in Schools Sara C. McDaniel, Allison L. Bruhn, Sara Estrapala, 2024-01-12 Meeting a critical need, this accessible guide addresses the what's, whys, and how-tos of developing and implementing effective Tier 2 social emotional and behavioral supports. The book provides explicit steps for identifying K-12 students who could benefit from Tier 2 matching, evidence-based interventions to student needs and making individualized data-based decisions regarding adapting, fading, or intensifying supports. Chapters review exemplary interventions in the areas of conduct, self-regulation, social issues, emotional issues, and co-occurring academic and social emotional behavioral needs. The place of Tier 2 in schoolwide positive behavioral interventions and supports (PBIS) is explained and keys to implementation fidelity are highlighted. In a large size format for easy photocopying, the book includes 23 reproducible forms and checklists that can also be downloaded and printed. This book is in The Guilford Practical Intervention in the Schools Series, edited by Sandra M. Chafores. [Homeschool Your Child for Free](#) Laura Maery Gold, Joan M.
