Medicine And Cowboys Sixty Years Ago And Today's Politics:

Remembering Slaton, Texas James Villanueva, 2011-05-16 Retrace Slaton's history with local author James Villanueva as he profiles one hundred years of the town's stories and its people. From its founding in 1911 through the Roaring Twenties, the turbulent 1960s and into today, *Remembering Slaton, Texas* is a look at the rich history of this charming Texas town. Sometimes haunting and sometimes inspiring but always entertaining, these are the tales and legends that made Slaton what it is today. **Texas Medicine**, 1970 **Medicine and cowboys sixty years ago and today's politics** E. O. Nichols, 1969

Smoking Typewriters John McMillian, 2011-02-01 How did the New Left uprising of the 1960s happen? What caused millions of young people, many of them affluent and college educated, to suddenly decide that American society needed to be completely overhauled? In *Smoking Typewriters*, historian John McMillian shows that one answer to these questions can be found in the emergence of a dynamic underground press in the 1960s. Following the lead of papers like the Los Angeles Free Press, the East Village Other, and the Berkeley Barb, young people across the country launched hundreds of mimeographed pamphlets and flyers, small press magazines, and underground newspapers. New, cheaper printing technologies democratized the publishing process, and by the decade's end, the combined circulation of underground papers stretched into the millions. Though not technically illegal, these papers were often genuinely subversive, and many of those who produced and sold them on street corners, at poetry readings, gallery openings, and coffeehouses became targets of harassment from local and federal authorities. With writers who actively participated in the events they described, underground newspapers captured the zeitgeist of the 60s, speaking directly to their readers and reflecting and magnifying the spirit of cultural and political protest. McMillian pays special attention to the ways underground newspapers fostered a sense of community and played a vital role in shaping the New Left's highly democratic movement culture. Deeply researched and eloquently written, *Smoking Typewriters* captures all the youthful idealism and vibrant tumult of the 1960s as it delivers a brilliant reappraisal of the origins and development of the New Left rebellion. *Congressional Record* United States Congress, 2012 California and Western Medicine, 1943 *Encyclopedia of the Great Plains* David J. Wishart, 2004-01-01 Wishart and the staff of the Center for Great Plains Studies have compiled a wide-ranging, pun-intended encyclopedia of this important region. Their objective was to give definition to a region that has traditionally been poorly defined, and they have. **Medical record**, 1895 **The Writers Directory**, 2013 *Ted Grant* Thelma Fayle, 2014 The life and work of renowned Canadian photojournalist Ted Grant. **America, History and Life**, 2005 Article abstracts and citations of reviews and dissertations covering the United States and Canada. National Union Catalog, 1956 Includes entries for maps and atlases. **Literary Digest: a Repository of Contemporaneous Thought and Research as Presented in the Periodical Literature of the World** Edward Jewitt Wheeler, Isaac Kaufman Funk, William Seaver Woods, 1936-10 **The Writer's Directory, 1998-2000** Miranda H. Ferrara, 1995 Information on more than 17,500 living authors from English-speaking countries. **The**

Publishers Weekly ,2003 **The American Educational Review** ,1910 *The Literary Digest* ,1936-10 **The Best Books for Academic Libraries: History of the Americas** ,2002 Books recommended for undergraduate and college libraries listed by Library of Congress Classification Numbers Abstracts of the Annual Meeting American Anthropological Association,2006 *Success* ,1922
