## **Medieval Latin An Introduction And Bibliographical Guide:**

**Medieval Latin** Frank Anthony Carl Mantello,A. G. Rigg,1996 Organized with the assistance of an international advisory committee of medievalists from several disciplines Medieval Latin An Introduction and Bibliographical Guide is a new standard guide to the Latin language and literature of the period from c A D 200 to 1500 It promises to be indispensable as a handbook in university courses in Medieval Latin and as a point of departure for the study of Latin texts and documents in any of the fields of medieval studies Comprehensive in scope the guide provides introductions to and bibliographic orientations in all the main areas of Medieval Latin language literature and scholarship Part One consists of an introduction and sizable listing of general print and electronic reference and research tools Part Two focuses on issues of language with introductions to such topics as Biblical and Christian Latin and Medieval Latin pronunciation orthography morphology and syntax word formation and lexicography metrics prose styles and so on There are chapters on the Latin used in administration law music commerce the liturgy theology and philosophy science and technology and daily life Part Three offers a systematic overview of Medieval Latin literature with introductions to a wide range of genres and to translations from and into Latin Each chapter concludes with a bibliography of fundamental works texts lexica studies and research aids This guide satisfies a long standing need for a reference tool in English that focuses on medieval latinity in all its specialized aspects It will be welcomed by students teachers professional latinists medievalists humanists and general readers interested in the role of Latin as the learned lingua franca of western Europe It may also prove valuable to reference librarians assembling collections concerned with Latin authors and texts of the postclassical period **ABOUT THE EDITORS** F A C Mantello is professor of Medieval Latin at The Catholic University of America A G Rigg is professor of English and medieval studies and chairman of the Medieval Latin Committee at the University of Toronto s Centre for Medieval Studies **PRASIE FOR THE BOOK** This extraordinary volume joint effort of dozens of scholars in eight countries will be in constant use for research for advising students and designing courses and for answering the queries of nonmedievalist colleagues Medieval Latin provides a foundation for advances in research and teaching on a wide front Though Mantello and Rigg s Medieval Latin is a superb reference volume I recommend that it also be read from beginning to end in small increments of course The rewards will be sheaves of notes and an immensely enriched appreciation of Medieval Latin and its literature Janet M Martin Princeton University *Speculum* A remarkable achievement and no one interested in medieval Latin can afford to be without it *Journal of Ecclesiastical History Everywhere* there is clarity conclusion judicious illustration and careful selection of what is central This guide is a major achievement and will serve Medieval Latin studies extremely well for the foreseeable future *The Classical Review* *Introduction to Medieval Latin Studies* Martin Rawson Patrick McGuire,Hermigild Dressler,1977

**Introduction to Medieval Latin Studies** Martin Rawson Patrick McGuire,1964 **Introduction to medieval Latin studies** Martin Rawson Patrick McGuire,1964 **The Oxford Handbook of Medieval Latin Literature** Ralph

Hexter,David Townsend,2012-01-20 The twenty eight essays in this handbook represent the best current thinking in the study of Latin language and literature in the Middle Ages Contributing authors both senior scholars and gifted younger thinkers among them not only illuminate the field as traditionally defined but also offer fresh insights into broader questions of literary history cultural interaction world literature and language in history and society Their studies vividly illustrate the field's complexities on a wide range of topics including canonicity literary styles and genres and the materiality of manuscript culture At the same time they suggest future possibilities for the necessarily provisional and open ended work essential to the pursuit of medieval Latin studies The overall approach of The Oxford Handbook of Medieval Latin Literature makes this volume an essential resource for students of the ancient world interested in the prolonged after life of the classical period's cultural complexes for medieval historians for scholars of other medieval literary traditions and for all those interested in delving more deeply into the fascinating more than millennium long passage between the ancient Mediterranean world and what we consider modernity

### **Latin Literatures of Medieval and Early Modern Times in Europe and Beyond**

Francesco Stella,Lucie Doležalová,Danuta Shanzer,2024-07-15 The textual heritage of Medieval Latin is one of the greatest reservoirs of human culture Repertoires list more than 16 000 authors from about 20 modern countries Until now there has been no introduction to this world in its full geographical extension Forty contributors fill this gap by adopting a new perspective making available to specialists but also to the interested public new materials and insights The project presents an overview of Medieval and post medieval Latin Literatures as a global phenomenon including both Europe and extra European regions It serves as an introduction to medieval Latin's complex and multi layered culture whose attraction has been underestimated until now Traditional overviews mostly flatten specificities yet in many countries medieval Latin literature is still studied with reference to the local history Thus the first section presents 20 regional surveys including chapters on authors and works of Latin Literature in Eastern Central and Northern Europe Africa the Middle East Asia and the Americas Subsequent chapters highlight shared patterns of circulation adaptation and exchange and underline the appeal of medieval intermediality as evidenced in manuscripts maps scientific treatises and iconotexts and its performativity in narrations theatre sermons and music The last section deals with literary interfaces that is motifs or characters that exemplify the double sided or the long term transformations of medieval Latin mythologemes in vernacular culture both early modern and modern such as the legends about King Arthur Faust and Hamlet
