Memo September 2014 Paper 2 English:

Ukraine Over the Edge Gordon M. Hahn,2018-02-08 The Ukrainian crisis that dominated headlines in fall 2013 was decades in the making Two great schisms shaped events one within Ukraine its western and southeastern parts divided along cultural and political lines the other was driven by geopolitical factors Competition between Russia and the West exacerbated Ukraine's divisions This study focuses on the historical background and complex causality of the crisis from the rise of mass demonstrations on Kiev's Maidan Nezalezhnosti Independence Square to the making of the post revolt regime In the context of a new cold war the author sheds light on the role of radical Ukrainian nationalists and neofascists in the February 2014 snipers massacre the ouster of President Viktor Yanukovych and Russia's seizure of Crimea and involvement in the civil war in the eastern region of Donbass

The Welsh Language Commissioner in Context Diarmait Mac Golla Chríost,2016-07-20 it is the first book on the subject much of the research data provides a unique insight to the development of government policy and is exclusive to this book several of the research results are quite striking and will be of great interest to academics and policy actors alike

The Political Economy of WTO Implementation and China's Approach to Litigation in the WTO Yenkong Ngangjoh-Hodu,Zhang Qi,2016-01-29 Why and how do states obey international law This engaging book tackles this very question head on via its examination of the conflicting and conciliating processes of the Chinese approach to litigation and the Western approach to legal orientation in the field of the WTO dispute settlement mechanism The authors examine the normative framework of WTO rule implementation in a globalised international economic order They further explore the notion of the rule of law in China's Confucian system and how it interacts with a rule based world trading system Topics discussed include theorising the WTO implementation regime the Chinese approach to law China and the WTO dispute settlement system and Chinese Confucianism and compliance With its focus on international economic law and political science this book will be accessible to students policy makers practitioners and academics looking to understand China and the rule of law in a global context

Community Translation Mustapha Taibi,Uldis Ozolins,2016-02-25 Investigating an important field within translation studies Community Translation addresses the specific context characteristics and needs of translation in and for communities Traditional classifications in the fields of discourse and genre are of limited use to the field of translation studies as they overlook the social functions of translation Instead this book argues for a classification that cuts across traditional lines based on the social dimensions of translation and the relationships between text producers and audiences Community Translation discusses the different types of texts produced by public authorities services and individuals for communities that need to be translated into minority languages and the socio cultural issues that surround them In this way this book demonstrates the vital role that community translation plays in ensuring communication with all citizens and in the empowerment of minority language speakers by giving them access to information enabling them to participate fully in society
