Side Hustles Rosalind Kincaid, AI, 2025-03-03 Side Hustles offers a comprehensive guide to creating multiple income streams and achieving financial independence through entrepreneurship. It addresses the increasing need to diversify income in today's gig economy, highlighting how anyone can leverage their skills to build a successful side business. The book emphasizes practical steps, dispelling common myths about side hustles and providing actionable advice on identifying opportunities and developing sustainable business models. The book takes a structured approach, starting with self-assessment to pinpoint skills and interests, then moving into evaluating side hustle options and crafting business plans. Major sections focus on marketing, branding, and financial management, equipping readers with the tools to scale their ventures. Ultimately, Side Hustles aims to empower individuals to transition from employee to entrepreneur, offering strategies for long-term business success through financial independence. The book distinguishes itself by using a conversational style and real-world examples, making complex business concepts accessible. It emphasizes practical application, guiding readers through ideation, execution, and scaling, making it valuable for anyone seeking to supplement their income or explore self-employment.

The Best Selling Coach Rebecca Bonnington, Nick Davies, 2025-06-23 Written by a sister and brother team with 35 years of combined experience, this book demystifies business development and offers a simple and highly effective method of selling for business coaches and consultants. Selling professional services, particularly for new or aspiring consultants, can seem daunting and distasteful. This book shows that it doesn't need to be this way and using a four-stage process shows coaches how to first build their confidence and go on to locate, connect, and meet desirable clients virtually or in person. This book guides readers through asking for the sale and keeping control of the business relationship as it develops. Complete with email and letter templates and LinkedIn strategies, many chapters also link to an online course which gives access to downloadable materials such as professionally designed PDFs suitable for workshops, presentations, and coaching sessions. Current new and aspiring business coaches, as well as postgraduate coaching students, will welcome this guide to solving the top issues most people face in this sector: finding new clients, building your client base, and winning work.
