The Stoic Journey Jay Pacheco,2023-01-21 The Stoic Journey Traveling to Learn to Control Your Emotions is a comprehensive guide for adolescents that uses Stoicism to help them navigate the complexities of adolescence. The book teaches adolescents how to develop emotional resilience, inner peace, and a sense of perspective through exercises and practical approaches. Through exploring eudaimonia, Stoic virtues, and the dichotomy of control, young people can understand that they can't control everything but can control their reactions. This book also explores the relationship between Stoicism and Positive Mental Attitude (PMA) and how these two tools can be used together. You don't have to be an adolescent to enjoy the book. Moreover, it provides valuable and easy guidance for parents, educators, caregivers, and anyone wishing to help young people or themselves successfully navigate adolescence or early adulthood.

Summary Zoom Meditations
Summary Zoom, 2016-10-09 The Roman Empire had many highs and lows throughout its existence, but none rivaled the Second Century A.D. It was a time of relative peace and prosperity. During this time, there were 5 emperors often called the Five Good Emperors. The last of these Emperors was Marcus Aurelius. Marcus Aurelius is most known for his philosophical musings. Especially one brand of philosophical thought called Stoicism. This philosophy has as much application in today's world as it did in his age. Marcus put his philosophical musings to paper; this work is now famously known as the *Meditations*. In this edition of *Summary Zoom*, we will analyze and summarize the principles in his book and see how we can apply them into our daily lives. Enjoy
