**Mein Name sei Gantenbein** Max Frisch, 1965 *Perspectives on Gender in Post-1945 German Literature* Georgina Paul, 2009 Recent studies of German modernity have tended to approach the subject from either a uniquely masculine or uniquely feminine viewpoint. In this work however Georgina Paul examines these two gendered perspectives side by side via a sequence of readings of major thematically related German literary texts by both male and female authors.

Probst, Jay F. Bodine, 2021-12-14 Max Frisch with his countryman Friederich Diirrenmatt shares the place of eminence in contemporary Swiss literature. Indeed he ranks high among the recent leading writers in the German language. But although several of his works, novels and plays, have been translated into English, he remains little known in America. In this collection of essays an international group of scholars provides a fresh introduction to this noted author. The three leading essays review Frisch's work in the forms he has used most extensively: drama, narrative fiction, and the personal diary. The remaining nine essays focus on specific works or topics. Among the works examined are *I m Not Still*, *A Wilderness of Mirrors*, *Wilhelm Tell*, and the recent *Man in the Holocene*. Among the topics are Frisch's use of language and images, his treatment of women, and the element of parody. Concluding the volume is the most complete bibliography on Frisch to appear in English to date.
