Doordash Best Store Hours:

Learn 2 Invest Kid Pavi Toor, Jaiden Toor, Pravin Toor, 2023-11-17 We wrote *Learn 2 Invest Kid* with the intention of helping people become hopeful about their financial future. The idea for the book stemmed from our own need to raise money for Young Guns Weightlifting and Boxing Club, a free award-winning youth club created in 2019. When the pandemic arrived, the non-profit sector was hit especially hard. Funding from businesses and government was reduced or halted, fundraising galas were banned, and traditional fundraising activities such as selling our protein donuts directly to the public were not allowed. Our club also had trouble obtaining funds, so we decided to invest in dividend-paying stocks, freeing ourselves from having to apply for government grants and other funding. It worked! The goal of this book is to help readers learn about investing in blue-chip dividend-paying stocks. There are two ways to make money off stocks: Capital Appreciation and Dividends. Did you know that some companies, such as Canadian banks, have consistently paid their dividends for over 150 years? As dividends increase, the share price typically follows. We try to make this process easy to understand. Within the pages of this book, investment concepts are broken down, and successes and failures are discussed, and research and patience are emphasized. Many examples are used to help prepare the reader for the bumpy road of investing. With simple language and using superheroes as examples, we have found a unique way of presenting complex investment ideas that make it easy for the reader to understand. *Learn 2 Invest Kid* will help readers gain confidence and show that investing in stocks is a viable way of creating personal wealth. Unfortunately, this is not taught in schools.

The Lonely Century Noreena Hertz, 2020-09-10 THE INTERNATIONAL BESTSELLER If we could issue a reading list to 10 Downing Street, I'd put this book near the top. GUARDIAN Explosive, timely, and urgent. DAILY TELEGRAPH Revealing, empathetic, and timely. JONATHAN FREEDLAND Brilliant, powerful, and hopeful. PHILIPPA PERRY Even before a global pandemic introduced us to terms like social distancing, loneliness was already becoming the defining condition of the twenty-first century. But it's also one we have the power to reverse. Combining a decade of research with first-hand reporting, Noreena Hertz takes us from a how-to communicate in real life class for smartphone-addicted university students to bouncy castles at Belgian far-right gatherings, from paying for cuddles in the U.S. to nursing home residents knitting bonnets for their robot caregivers in Japan. *The Lonely Century* explores how our increasing dependence on technology, radical changes to the workplace, and decades of policies that have placed self-interest above the collective good are damaging our communities and making us more isolated than ever before. With bold solutions for us as individuals as well as for businesses and governments, Noreena Hertz offers a hopeful and empowering vision for how to heal our fractured world and come together again. Causing a deserved stir. FINANCIAL TIMES Read it, then pass it onto a friend. CHARLIE BROOKER
