other psychos for money But Nate hasn't quite left the game Bed ridden by a recent surgery to remove bone fragments in his ankle he's trying to defend his title as top dog in Bunny 5 Ball one of the millions of leagues captivating America through modern fantasy football the interactive human poker game started by rotisserie leagues boosted by ESPN and Yahoo and now elevated to that rarefied world of vaguely legal Internet gambling by FanDuel and DraftKings.com And this time it isn't a 300 pound wall of flesh rushing to crunch his spine It's worse Exploring the fantasy and the reality of professional football after you've left the field Fantasy Man is as funny self-deprecating and shockingly honest as Slow Getting Up The Third Team: NFL Officials. Their Lives, Their Stories Richard Lister, 2019-12-19 The only third person account describing the lives and work of NFL game officials There would be no NFL football without him He is an accountant educator lawyer sales executive policeman dentist business owner corporate executive or fireman He is an NFL game official His life is a little like Clark Kent as he lives a mainstream life Monday through Friday On Sunday he puts on a uniform lending impressive power He makes decisions affecting lives careers and fortunes On his best day he is anonymous and unappreciated on his worst he is despised He does a job from which fans coaches players and even he himself demand perfection He will never achieve it Though having an essential part in a popular game he prefers a low profile His anonymity evokes curiosity about who he really is The Third Team takes stories and reflections from interviews with 25 past and current National Football League officials including some among football's greatest to give the reader a look into a job that is far more exacting than even the most astute fan appreciates The stories reveal the kind of person who reaches the pinnacle Though competitive wanting to be the best among peers each man recognizes that his crew's performance has higher value than individual achievement Becoming a team player will bond each crewmember into a powerful brotherhood Their stories ranging from humorous to poignant give the reader insight into those working to keep NFL playing fields level for both teams The perspectives are complemented by observations from former NFL coaches Tony Dungy Steve Mariucci Herman Edwards and Jerry Glanville along with former player and current television analyst Matt Millen The Third Team will appeal to the fan who is interested in the game's inner workings and who will appreciate stories from behind the scenes and inside the country's most popular spectator sport
