Injury Report Lyft In The Us:

Unsettled Issues Facing Automated Vehicles and Insurance Ian Williams, 2020-08-05 This SAE EDGE Research Report explores how the deployment of automated vehicles AVs will affect the insurance industry and the principles of liability that underly the structure of insurance in the US As we trade human drivers for suites of sensors and computers who or what is responsible when there is a crash The owner of the vehicle The automaker that built it The programmer that wrote the code Insurers have over 100 years of experience and data covering human drivers but with only a few years worth of information on AVs how can they properly predict the true risks associated with their deployment Without an understanding of the nature and risks of AVs how can the government agencies that regulate the insurance industry provide proper oversight Do the challenges AVs present require a total reworking of our insurance and liability systems or can our current structures be adapted to fit them with minor modifications Unsettled Legal Issues Facing Automated Vehicles explores a number of potential challenges and unsettled topics facing the insurance industry and offers potential solutions brought forth from a team of seven legal experts Click here to access the full SAE EDGETM Research Report portfolio <https://doi.org/10.4271/EPR2020015>

You've Been Played Adrian Hon, 2022-09-20 How games are being harnessed as instruments of exploitation and what we can do about it Warehouse workers pack boxes while a virtual dragon races across their screen If they beat their colleagues they get an award If not they can be fired Uber presents exhausted drivers with challenges to keep them driving China scores its citizens so they behave well and games with in app purchases use achievements to empty your wallet Points badges and leaderboards are creeping into every aspect of modern life In *You've Been Played* game designer Adrian Hon delivers a blistering takedown of how corporations schools and governments use games and gamification as tools for profit and coercion These are games that we often have no choice but to play where losing has heavy penalties *You've Been Played* is a scathing indictment of a tech driven world that wants to convince us that misery is fun and a call to arms for anyone who hopes to preserve their dignity and autonomy
