It is a continuation and explanation of his first work Lemonade and follows in the same mode of aphoristic storytelling. Lemonade and Applesauce are in the same set. There are many stories or books as DSK calls them in both Lemonade and Applesauce. In Applesauce there is a book about a transcontinental motorcyclist, a book concerning the preparation for a sea voyage, a book about some of the author's few accoutrements, there is a book about a journey by sea to the Azores. There is a book about German and American factories and a book about more common transportation. There is a book on the economy, a book on a carnival festivity and a book on actual American utopias from cohousing to Earthships. There is a book about a major Tennessee branch of the Manhattan Project, a book about a lightning and thunder resort, a book about two veterans, a book about a youthful community and finally a book that represents a return to the existential experience of street life.
