## Mcq In Radiology Prometric:

**MCQs in Clinical Radiology** James R. G. Bell,2003 There are very few radiology multiple choice question books on the market that reflect the current trends and developments in the field of imaging Hence the emphasis of this book is on cross sectional CT and MR imaging It highlights the current understanding and concepts in the state of the art imaging of a wide range of diseases in the body The multiple choice questions are organised according to body systems and imaging modalities There are twelve sections in the book testing the reader in a broad range of imaging knowledge The questions are accompanied by expanded answers which provide the reader with a summary of the key facts relating to a particular topic This is especially useful in assisting the reader in consolidating his or her understanding of the subject The questions are devised in a format similar to those encountered in the Part 2A examination of the Royal College of Radiologists UK and the Part 2 examinations of the Joint Australian and New Zealand College of Radiology Candidates taking the American Radiology Board examinations will also find the book informative

*Radiology MCQs for the New FRCR Part 2A* Shahid Hussain,Sherif Latif,Steve Colley,Debbie Tattersall,2006 The Fellowship of the Royal College of Radiologists Part 2A Examination has undergone significant changes and a new format was initiated in Spring 2004 The multiple choice question examination has now been divided into six system modules and contains questions on anatomy physics and techniques The exam format underwent further revision in Winter 2005 implementing an increased emphasis on the cardiothoracic all answers are fully referenced allowing for additional reading Questions are drawn from the most commonly used textbooks specialty textbooks and current radiology journals reflecting the current hot topics in radiology Six mock papers are included which mirror the new and revised exam format Radiology MCQs for the new FRCR Part 2A is the ideal revision tool for radiology registrars preparing for the newly revised exam

[Final FRCR Part A Modules 4-6 Single Best Answer MCQs](#) Robin Proctor,2021-07-28 Single best answer SBA questions have been introduced into the FRCR Part 2A examination of the Royal College of Radiologists in the UK for the first time This book of 600 SBA questions and explanatory answers has been written to aid students preparing for the exam by current trainees in clinical radiology coordinated through The Society of

Radiologists in Training SRT Questions are grouped by topic and each topic is split into three papers of 70 questions with explanations separated into chapters to enable readers to either attempt a whole mock exam paper or to browse question by question The book is a bridge between a pure revision aid and a reference text including a bibliography of useful references for further information Candidates for other professional exams in Radiology will find the text useful as will and those from other specialties wishing to explore the radiological aspects of their syllabus in greater depth This is a companion volume to [Final FRCR Part A Modules 4-6 Single Best Answer MCQs](#) by the same team
