**A Parents' Guide to the Middle School Years** Joe Bruzzese,2011-05-18 OMG PAW G2G Oh my god parents are watching got to go

Today s text messaging middle schoolers may seem like a different species from how parents remember themselves as sixth seventh and eighth graders Children are often forced to confront serious issues like drugs violence sexuality and technology at an age that would have been unthinkable even a decade ago So it s natural for parents to worry about these crucial years Still educator Joe Bruzzese believes that this time can be full of positive transformation as your child gains independence and your parental role shifts from omnipresent manager to supportive coach Timely topics include cyberbullying depression and choosing realistic and rewarding extracurricular activities The middle school years can and should be a time of exciting change and opportunity A Parents Guide to the Middle School Years presents what you need to know to survive and thrive as a family

*The Global Achievement Gap* Tony Wagner,2014-03-11 Despite the best efforts of educators our nation s schools are dangerously obsolete Instead of teaching students to be critical thinkers and problem solvers we are asking them to memorize facts for multiple choice tests This problem isn t limited to low income school districts even our top schools aren t teaching or testing the skills that matter most in the global knowledge economy Our teens leave school equipped to work only in the kinds of jobs that are fast disappearing from the American economy Meanwhile young adults in India and China are competing with our students for the most sought after careers around the world Education expert Tony Wagner has conducted scores of interviews with business leaders and observed hundreds of classes in some of the nation s most highly regarded public schools He discovered a profound disconnect between what potential employers are looking for in young people today critical thinking skills creativity and effective communication and what our schools are providing passive learning environments and uninspired lesson plans that focus on test preparation and reward memorization He explains how every American can work to overhaul our education system and he shows us examples of dramatically different schools that teach all students new skills In addition through interviews with college graduates and people who work with them Wagner discovers how teachers parents and employers can motivate the generation to excellence An education manifesto for the twenty first century The Global Achievement Gap is provocative and inspiring It is essential reading for parents educators business leaders policy makers and anyone interested in seeing our young people succeed as employees and citizens For additional information about the author and the book please go to [www.schoolchange.org](http://www.schoolchange.org)
