**ADD-Friendly Ways to Organize Your Life** Judith Kolberg, Kathleen Nadeau, 2012-01-04 Over 100 000 Copies Sold  
Organizing books fall short of addressing the unique needs of adults with ADD. They fail to understand the clinical picture of ADD and how it impacts the organizing process often making their advice irrelevant or frustrating when put into application. Books about ADD may address organization disorganization but do so in a cursory fashion and on a very small scale in what are usually long books on the subject. This is a book that has ADD Friendly advice with the ADDer in mind. This collaboration brings forth the best underlying understanding with the most effective and practical remedy from ADD experts in two important fields professional organization and clinical psychology. Finally it offers organizing advice that ranges from self help to utilizing the help of non professionals to using professional assistance. Thus it permits the reader to decide where they are at personally in the organizing process and what level of support will be most beneficial to their unique situation.
