Mummies Truth And Rumors:

Mummies John Malam, 2014-12-15 Mummies whether they are preserved by people or nature are a fascinating way to examine different cultures around the world. While most people know about mummies from ancient Egypt, the first mummies were made more than 7,000 years ago in South America. Anthropologists can only guess why, most likely because of a belief in life after death. Readers will be awed as they discover how different cultures perfected their mummification process. Well-chosen photographs and illustrations will reveal the incredible preserving powers of peat. Gruesome discoveries and even modern mummies are all highlighted in this book which includes 100 facts about magnificent mummies. Mummies Heather L. Montgomery, 2010 How to use deductive reasoning to find out the truth behind rumors about mummies. *The Mystery of the Egyptian Mummified Kittens* Dr. Harold Walter Sims Jr., 2022-06-02 A Story of a Feline Whistleblower in 33 BC Egypt. *The Mystery of the Egyptian Mummified Kittens* spins a cat tale that takes place in ancient Egypt. Hebony, the protagonist, is a cat that is going on a mission that will take him to places to do things that no other cat has ever done before. Chosen by goddesses and trained from birth by his mother and siblings, at the age of four months he begins an odyssey that if successful will save the lives of kittens that might be sacrificed and made into little cat mummies to be sold to people who wish to gain favor with the cat goddess Bastet. But his training to get him into shape for such a mission is augmented by words from his mother who is very concerned about the destruction the people have done and are still doing to a land that all forms of life depend on for their survival. So at times, besides keeping on course with his primary mission, Hebony learns more about the people, their self-destructive natures, their love for war and competition, and their total disregard for any other inhabitants they must share the little land that is known. Follow Hebony as he climbs sandy dunes, trespasses on the land of the priests, jumps into fast-moving chariots, goes to the fair city of Alexandria, and finds his first love. He attends a chariot race and meets Grosso, a cat who becomes his mentor and foster father. And when he thinks his mission is over, he learns more about the mystery from a retired Egyptian priest who lives in an old fisherman's cabin deep in the woods. When he finally returns home to report his findings, he is arrested and returned to Alexandria where he is tried by a kangaroo court, convicted of treason, and sentenced to death by mummification. But with a little help from his friends and a nest full of mice, he escapes and lives to tell his tale. Hebony is no ordinary cat. But this story isn't just about a brave little kitten. It is a story that will motivate readers to follow Hebony's example and live their life as he did, with a purpose and the determination to reach their goals and make the world a better place than they'd found it. It's something we all need to do. Mummies Jim Ollhoff, 2007-01-01 Discusses the history of mummifying bodies and the movies, myths, and legends that came about from this practice.
