Murder And Mayhem In Cumberland County:

Murder & Mayhem in Cumberland County Joseph David Cress, 2010-08-13 From the horrific Enoch Brown Schoolhouse Massacre of 1764 to settlers who hunted local tribes for a bounty Cumberland County Pennsylvania has long had a violent and bloody history As more people came to the region murder and mischief of every kind only multiplied Local author Joseph David Cress explores the dark side of history from little known cases such as that of Sarah Clark who became the first woman hanged in the county after she poisoned a family to dispatch a romantic rival to high profile crimes like the shocking 1955 courtroom slaying that left one person dead and three injured Join Cress on a hair raising walk down Hell Street as he investigates the underbelly of Cumberland County *Wicked Carlisle* Joseph David Cress, 2012 With *Wicked Carlisle* author Joe Cress revisits the criminal history of Cumberland County Taking a more focused and less bloody approach Cress will largely bring new stories of mischief to the table though he will revisit the lighter side of two or three crimes from *Murder and Mayhem in Cumberland County* From stories of college pranks gone wrong Carlisle's own Robin Hood and the robbing and subsequent torching of a beloved local theater the Strand where the local HS now sits to abuses at the Carlisle Indian School and the town's connection to the raid on Harper's Ferry Cress scours the underbelly of the borough for mischief and misdeeds *Hidden History of Cumberland County* Joseph David Cress, 2025-01-22 The rolling fields and quiet towns of Cumberland County Pennsylvania belie its dynamic history From slaves who escaped to freedom through Underground Railroad stations in Shippensburg and Boiling Springs to a telephone like invention created by Lower Allen's Daniel Drawbaugh a full decade before the patent of Alexander Graham Bell the pages of Cumberland County's history conceal long forgotten but true tales There are numerous but often overlooked contributions from county residents from 1920 to 1923 Newville hosted the first state police academy in the nation and during World War II a humble bandage invented in Carlisle saved countless lives With an engaging collection of vignettes author Joseph David Cress explores these and other hidden tales from the history of Cumberland County *Murder & Mayhem in York County* Joseph David Cress, 2011 The unsolved 1878 murder of a young woman walking home from Hanover and a lethal 1901 love triangle in Chanceford Township that led to murder by strychnine are but two incidents in York County's history of deadly deeds and misdoings While the 1969 York Race Riots are the most infamous instance of mayhem in the county the strangest is perhaps the Hex Murder that left a North Hopewell Township powwow doctor a practitioner of the local folk magic dead at the hands of those trying to lift a curse Follow author Joseph David Cress on the lonely country roads and harsh city streets as he goes on the trail of the body snatchers hooligans and black widows of York County Pennsylvania **Before the Movement** Dylan C. Penningroth, 2023-09-26 Penningroth's conclusions emerge from an epic research agenda *Before the Movement* presents an original and provocative account of how civil law was experienced by Black citizens and how their legal lives changed over time an ambitious stimulating and provocative book Eric Foner New York Review of Books Winner of the Beveridge Award

American Historical Association Winner of the Littleton Griswold Prize American Historical Association Finalist for the Cundill History Prize Winner of the Order of the Coif Book Award Winner of the James Willard Hurst Prize Law and Society Association Winner of the John Philip Reid Award American Society for Legal History Winner of the Charles Sydnor Award Southern Historical Association Winner of the Merle Curti Social History Award Organization of American Historians Winner of the Ellis W Hawley Prize Organization of American Historians Winner of the PEN Oakland Josephine Miles Award Winner of the Scribes Book Award Winner of the David J Langum Sr Prize in American Legal History Shortlisted for the Ralph Waldo Emerson Award Phi Beta Kappa Shortlisted for the Stone Book Award Museum of African American History Shortlisted for the Mark Lynton History Prize Columbia Journalism School A prize winning scholar draws on astonishing new research to demonstrate how Black people used the law to their advantage long before the Civil Rights Movement The familiar story of civil rights goes like this once America's legal system shut Black people out and refused to recognize their rights their basic human dignity or even their very lives When lynch mobs gathered police and judges often closed their eyes if they didn't join in For Black people law was a hostile fearsome power to be avoided whenever possible Then starting in the 1940s a few brave lawyers ventured south bent on changing the law Soon ordinary African Americans awakened by Supreme Court victories and galvanized by racial justice activists launched the civil rights movement In Before the Movement acclaimed historian Dylan C Penningroth brilliantly revises the conventional story Drawing on long forgotten sources found in the basements of county courthouses across the nation Penningroth reveals that African Americans far from being ignorant about law until the middle of the twentieth century have thought about talked about and used it going as far back as even the era of slavery They dealt constantly with the laws of property contract inheritance marriage and divorce of associations like churches and businesses and activist groups and more By exercising these rights of everyday use Penningroth demonstrates they made Black rights seem unremarkable And in innumerable subtle ways they helped shape the law itself the laws all of us live under today Penningroth's narrative which stretches from the last decades of slavery to the 1970s partly traces the history of his own family Challenging accepted understandings of Black history framed by relations with white people he puts Black people at the center of the story their loves and anger and loneliness their efforts to stay afloat their mistakes and embarrassments their fights their ideas their hopes and disappointments in all their messy humanness Before the Movement is an account of Black legal lives that looks beyond the Constitution and the criminal justice system to recover a rich broader vision of Black life a vision allied with yet distinct from the freedom struggle
