Murder And Mai Tais A Danger Cove Cocktail Mystery:

Murder & Mai Tais Elizabeth Ashby, Sibel Hodge, 2020-07-10 From USA Today bestselling author Elizabeth Ashby and Sibel Hodge comes murder in a small town. Murder is on the menu and someone's about to get served. Hope Foster's motto is to let fate lead you which it did in her case right to the quiet town of Danger Cove. But when the owner of the Smugglers Tavern where Hope tends bar is murdered suddenly fate puts Hope squarely in the role of prime suspect in her employer's murder. Not only is she the last one to see him alive but a new will also reveals that her employer left his whole estate to Hope instead of his ungrateful daughter Elise and nephew Carter. With the local police convinced Hope is a manipulative Black Widow killer, Hope's peaceful life in Danger Cove is about to turn into a white water ride. Along with a sexy underwater archaeologist from England in town searching for a lost shipwreck, an international yoga guru and a reformed alcoholic patron, Hope sets out to prove her innocence. But can Team Hope catch the real killer before she trades in her bartending apron for an orange prison jumpsuit? What critics are saying about the Danger Cove Mysteries: I am a frequent visitor to Danger Cove and eager to stay for a long time. Clever and Engaging. Fun. Kings River Life Magazine: I love this series because it reminds me of watching the show Murder She Wrote with my grandmother when it used to be on TV. Fast and fun mystery. You've got to read Night Owl Reviews. The Danger Cove series continues to entertain as it showcases the talent of the GHP writers. Each book reads well as a stand alone but is better in the serial context. Authors on the Air About Danger Cove: Welcome to Danger Cove. We're a sleepy little town in the Pacific Northwest and home to renowned mystery novelist Elizabeth Ashby. While Elizabeth swears the stories she writes are fiction, you can find the inspiration for her murderous tales all over Danger Cove from the intriguing cast of local characters to the places to eat, play and explore in Danger Cove. The Danger Cove Mysteries follows different heroines in the small town of Danger Cove. Enjoy murder, love and laughter in each book about different heroines, each one written by a different author. Books in this series can be read in any order. Rating: This story does not contain any graphic violence, language or sexual encounters. Its rating would be similar to PG 13 or what you would find on a Hallmark Channel movie or TV series. **Murder and Mai Tais** Sibel Hodge, 2015-04-14 Murder is on the menu and someone's about to get served.
