Mike Mathis and Joanna Falcone Sullivan,2022-10 Friday August 15 1975 began as a typical summer day in Marple Township Young children played with their friends as adults prepared for work and planned for their vacations at the Jersey Shore That all changed in the hours before noon when Gretchen Harrington the eight year old daughter of a Presbyterian minister and his wife was kidnapped while walking to a vacation Bible school near her home Her body was found by a jogger in a state park nearly two months later The crime forever affected Gretchen s contemporaries and their parents in the region many of whom chose to live in suburban Marple Township because they considered it a safe refuge from a crime ridden Philadelphia With rare access to police files journalists Mike Mathis and Joanna Falcone Sullivan examine the kidnapping murder and the nearly five decade long investigation in what is tragically still a cold case *True Crime Parallels to the Mysteries of Agatha Christie* Anne Powers,2020-03-04 Outsold only by the Bible and Shakespeare the works of Agatha Christie stand as some of the most celebrated crime fiction of our era This book takes ten of her most famous works and shows their relationship to ten of crime history s most famous and sensational cases cases whose notoriety still resounds to this day Addressing both novels and short stories the author illuminates the relationship between Christie s Murder on the Orient Express and the sensational Lindbergh Kidnapping Case of 1932 the connections between Christie s Mrs McGinty s Dead and the horrific true case of England s most loathed wife killer the American Dr Hawley Harvey Crippen and eight more engrossing pairings of Christie s ingenious mystery puzzles with vintage true crime s most sensational events

**Inspirations** Mike Holgate,2011-11-08 Fact proves far stranger than fiction in this collection of real life crimes scandals tragedies and murders which either influenced the works of the world s most popular mystery writer or affected the lives of many famous personalities involved in her long and brilliant career Discover the truth behind many of her books such as how the exploits of Jack the Ripper inspired the serial killings in The ABC Murders and how the plot twist in The Murder of Roger Ackroyd was suggested by Lord Mountbatten This book also reveals how many of her illustrious acquaintances found themselves immersed in episodes so bizarre that they could have been written by Christie herself including how the father of Miss Marple actress Margaret Rutherford committed murder and Poirot actor Peter Ustinov witnessed the assassination of a world leader Agatha Christie s True Crime Inspirations is a fascinating addition to Christie literature focusing on little known

parts of this iconic writer's life and career. From her early roots in Torquay to her infamous eleven day disappearance no stone is left unturned as the events of her own life are revealed to be every bit as intriguing as her world renowned novels.

**Agatha Christie's Miss Marple** Anne Hart, 1997 The crimes tackled by Miss Marple include 16 murders four attempted murders and assorted robberies embezzlements blackmailings and poachings. This biography combs through the 12 novels and 20 short stories in which Miss Marple appeared in order to reveal her true identity. *Murder in Marple: The D'Amore Family Tragedy* Thomas George Deitman, with Dawn D'Amore Yankovich, 2015-10-05 Benjamin D'Amore abused his wife for the last time on November 29 1949. That night his sons John and Nicholas exacted revenge and executed Benjamin with a shotgun and deer rifle. The trial that followed was unlike many before it. **The Body in the Library** Agatha Christie, 1964 **The Murder at the Vicarage** Agatha Christie, 2026-01-06 The famous novel in which the Queen of Crime introduced one of her most beloved characters the indomitable Miss Marple. St Mary Mead appears to be a typically quaint English country village but many dark secrets lurk under its placid surface and its most unobtrusive resident the elderly Miss Jane Marple is equally easy to underestimate. When Colonel Protheroe the exceedingly disagreeable local magistrate is found shot to death in the vicar's study the police are confounded. Nearly everyone in the village had good reason to wish the man dead witness accounts conflict and two contradictory confessions further muddy the waters. Suspects abound including an archaeologist on a local dig a young visiting artist an unhappy wife a local poacher and a mysterious woman just arrived in town and of course the vicar himself. But the vicar's observant neighbor Miss Marple notices far more than most. An adept and shrewd student of human nature she is the only one clever enough to untangle the clues and solve the mystery.

*The Murder at the Vicarage* Agatha Christie, 2011 The murder of Colonel Protheroe shot through the head is a shock to everyone in St Mary Mead though hardly an unpleasant one. Now even the vicar who had declared that killing the detested Protheroe would be doing the world at large a favour is a suspect the Colonel has been dispatched in the clergyman's study no less. But the picturesque English village of St Mary Mead is overpopulated with suspects. There is of course the faithless Mrs Protheroe and there is of course her young lover an artist to boot. Perhaps more surprising than the revelation of the murderer is the detective who will crack the case a white haired old lady with a gentle appealing manner. Miss Jane Marple has arrived on the scene and crime literature's private men's club of great detectives will never be the same. *They Do it with Mirrors* Agatha Christie, 2016 A shocking crime. A mansion filled with suspects Ruth Van Rydock can't shake the feeling that something terrible is going to happen to her sister at Stonygates house. Her old school friend Jane Marple decides it's time to pay a visit. But this grand Victorian mansion isn't just a family home it's also a correctional facility for wayward young men. And when something

terrible does indeed happen Miss Marple must face her most eccentric cast of suspects yet Never underestimate Miss Marple If a genius is someone who leaves the field they work in totally different from how they found it then we should certainly remember Agatha Christie as a genius Stephen Fry No one on either side of the Atlantic does it better New York Times
