**June Wright**

## **Murder In The Telephone Exchange:**

Murder in the Telephone Exchange June,2014-02-17 First published in 1948 when it was the best selling mystery of the year in the author s native Australia Murder in the Telephone Exchange stars feisty young operator Maggie Byrnes When one of her more unpopular colleagues is murdered her head bashed in with a buttinski a piece of equipment used to listen in on phone calls Maggie resolves to turn sleuth Some of her coworkers are acting strangely and Maggie is convinced she has a better chance of figuring out who is responsible for the killing than the rather stolid police team assigned to the case who seem to think she herself might have had something to do with it But then one of her friends is murdered too and it looks like Maggie might be next Narrated with verve and wit this is a whodunit in the tradition of Dorothy L Sayers and Daphne du Maurier by turns entertaining and suspenseful and building to a gripping climax

The Telephone Girls Jenny Holmes,2020 1936 West Yorkshire is home to a gleaming brand new telephone exchange where Cynthia Norma and Millicent work the complicated electrical switchboards They relish the independence and friendship their jobs have given them But when a colleague connects a telephone call and listens in to the conversation breaking one of the telephonists main rules the three women become caught up in a story of scandal corruption and murder Soon all their jobs are on the line In tough times the telephone girls will need to call on their friends more than ever

## **Duck**

Season Death June Wright,2014-12-21 June Wright wrote this lost gem in the mid 1950s but consigned it to her bottom drawer after her publisher foolishly rejected it Perhaps it was a little ahead of its time Because while it s a tour de force of the classic country house murder mystery it s also a delightful romp poking fun at the conventions of the genre When someone takes advantage of a duck hunt to murder publisher Athol Sefton at a remote hunting inn it soon turns out that virtually everyone guests and staff alike had a good reason for shooting him Sefton s nephew Charles thinks he can solve the crime by applying the rules of the game he s absorbed from his years as a reviewer of detective fiction only the killer

evidently isn't playing by those rules Duck Season Death is a both a fiendishly clever whodunit and a marvellous entertainment     *So Bad a Death* June Wright,2014-12-21 The return of Maggie Byrnes heroine of Murder in the Telephone Exchange Maggie is married now with a young son and living in an outer Melbourne suburb But violent death dogs her footsteps even in apparently tranquil Middleburn It's perhaps not that much of a surprise when widely disliked local bigwig James Holland who also happens to be Maggie's landlord is shot but Maggie suspects that someone is also trying to poison the infant who is his heir and turns sleuth once more to uncover the culprits First published in 1949 *So Bad a Death* is June Wright's second novel which she originally planned to call *Who Would Murder a Baby* Her publishers demurred but under any title it's a worthy sequel to *Murder in the Telephone Exchange* Novelist and crime fiction historian Lucy Sussex contributes an introduction to this reissue which also includes a fascinating interview she conducted with June Wright in 1996

*Faculty of Murder* June Wright,2022-03-22 Mother Paul June Wright's beloved nun detective returns to her sleuthing ways after she takes up a new position as warden of a student hall of residence at the University of Melbourne No sooner has Judith Mornane arrived on campus than she startles her fellow residents by announcing her intention to discover the murderer of her sister who disappeared from the same dorm a year earlier The ever curious Mother Paul is drawn to investigate what happened to Judith's sister did she simply run off for reasons best known to herself as the police concluded or could it be she really was murdered Was her disappearance perhaps linked to a tragedy that happened at around the same time the accidental drowning in her bathtub of the wife of one of the college's professors Was that drowning in fact as accidental as the official investigation suggested Mother Paul believes the two events are connected somehow and a further tragedy the faked suicide death of one of her student charges convinces her that a particularly cruel and clever murderer is still at work within the college She is not above a little subterfuge in the interest of discovering the truth and moves her colleagues the students and even the police around like so many figures on a chessboard until finally amid high drama the murderer is revealed
