Mind, Muscle & Motion Donald W. Stauffer,1988      **The Musician's Survival Manual** Richard N. Norris,1993 We who play instruments know that there are few experiences in life that can be as fulfilling as making music When giving to an audience we are able to have positive influence not only on others but also ourselves When there is a synthesis of physical action emotion technique and thought music making can reach incredible heights But often our goals are thwarted by physical limitations and pain For decades musicians have recognized the many factors some unpleasant that are essential to mastering an instrument diligent practice organization discipline travel to good schools purchase of fine equipment overcoming technical obstacles isolation and or loneliness performance anxiety etc We seem to be able to deal with these But it is only very recently that we are beginning to acknowledge another essential component treating our bodies as part of our instruments with the goal of preventing physical injury Thanks to doctors like Richard Norris who are working in the new field of performing arts medicine we can now improve our physical approaches to our instruments with knowledge of how our bodies do the demanding tasks we ask of them For many of us a dream has come true Musicians both performers and educators can now become more knowledgeable through conferences publications seminars and book such as Dr Norris s guide We can now work towards prevention rather than correction You will find as I have that this down to earth survival manual is an invaluable resource and took in our striving and yearning for freedom to play Janet Horvath Director Playing less Hurt Conference Series Associate Principal Cellist Minnesota Orchestra Back cover      **Medical Problems of Performing Artists** ,2001      *Baker's Biographical Dictionary of Popular Musicians Since 1990* ,2004 From Aaliyah to Lynyrd Skynyrd this volume surveys musical artists who have made a significant impact on current popular culture
