**John Robert Sitlington Sterrett**

## **Music For The Journey:**

**A John Mellencamp Music Journey** Gail Tolbert, 2007-05-11 Brenda and Gail have been friends for most of their lives and are devastated when Brenda is diagnosed with breast cancer. By a strange occurrence they are propelled back through time and space to the time before Brenda had the cancer and try to figure out how she may have been exposed to a cancer causing material. Some of the events in this book are true to a point but have been embellished to entertain the reader. If only we could go back and start over or do our lives over. Wouldn't it be wonderful? Well yes it was. **A Music Journey**

**Remembered** Bradley Kuhns, 2012-12 Brad Evans has been an entertainer for over 50 years. Brad and his group the Encores made a unique sound that crossed racial, ethnic, and cultural lines. Starting with Brad's humble beginnings growing up in a small coal mining town in Pitt Gas, Pennsylvania, to rolling with the famous Rat Pack as a musician sideman, Brad lived in an adult Disneyland, a world where partying, booze, super fine ladies, and big money was the norm in the raucous 50s, 60s, and 70s. He crossed paths with the mob and rubbed shoulders and became friends with some of America's biggest stars like Elvis. The Rat Pack, Nat King Cole, Frankie Laine, Phyllis Diller, and many other celebrities of the day. He was popular in demand and was asked to perform with headliners. Brad was a shy and polite person who accepted the entertainment business in stride. Brad and his groups on stage presence made him somewhat of a Vegas nightclub staple. A perennial bachelor and involved with numerous women during his music career, Brad had many colorful relationships. This book is an interesting tale of a musician's life of ambition, heartaches, and a life with few regrets. **The Local Music Journey: Thoughts, advice and**

**inspiration for your independent music career** Nick Venturella, 2010-08-26 The Local Music Journey: Thoughts, advice, and inspiration for your independent music career offers practical advice and tips for those beginning their indie music career and for those veteran indies who need to refresh their indie music drive. Beyond the useful advice that you'll be able to apply to your indie music career immediately, the book is full of insightful interviews from independent musicians and music professionals. The interviews offer positive encouragement and camaraderie, which is needed among our growing indie music community. The idea is that even in this Internet age, by being a resourceful entrepreneurial independent musician, success on a small level will build toward successes on a larger level. That said, by starting one's indie music career locally, it can allow for some immediate successes that become steps toward regional and even national successes. Start locally and then take over the world. **Songs from the Journey** Wilton Agnew Barrett, 1920 **Catalogue of Music** British Museum, 1891
