# Musical Performance A Philosophical Study

**Stanley Godlovitch**

## **Musical Performance A Philosophical Study:**

**Musical Performance** Stanley Godlovitch,1998 In this work on the philosophy of music Stan Godlovitch considers music from the vantage point of active music making He consider playing traditions which have developed physical mastery to serve expressive ends

**Musical Performance** Stanley Godlovitch,1998 In this work on the philosophy of music Stan

Godlovitch considers music from the vantage point of active music making He consider playing traditions which have

developed physical mastery to serve expressive ends

**Musical Performance** Stan Godlovitch,2002-01-31 Most music we

hear comes to us via a recording medium on which sound has been stored Such remoteness of music heard from music made

has become so commonplace it is rarely considered Musical Performance A Philosophical Study considers the implications of

this separation for live musical performance and music making Rather than examining the composition or perception of

music as most philosophical accounts of music do Stan Godlovitch takes up the problem of how the tradition of active music

playing and performing has been challenged by technology and what problems this poses for philosophical aesthetics Where

does does the value of musical performance lie Is human performance of music a mere transfer medium Is the performance

of music more expressive than recorded music Musical Performance poses questions such as these to develop a fascinating

account of music today musicians but via some recording medium on which sound has been stored

**Musical Expression and Performance** Carl Humphries,2016

**Musical Works and Performances** Stephen Davies,2001-06-07 What are musical

works Are they discovered or created Of what elements are they comprised How are they specified by notations What makes

a performance of one piece and not another Is it possible to perform old music authentically Can ethnic music influenced by

foreign sources and presented to tourists genuinely reflect the culture s musical and wider values Can recordings substitute

faithfully for live performances These are the questions considered in Musical Works and Performances Part One outlines the

nature of musical works their relation to performances and their notational specification Works for performance differ from

ones that are merely for playback and pieces for live rendition are unlike those for studio performance Pieces vary in the

number and kind of their constitutive properties The identity of musical works goes beyond their sonic profile and depends

on their music historical context To be of a given work a performance must match its contents by following instructions

traceable to its creation Some pieces are indicated via exemplars but many are specified notationally Scores must be

interpreted in light of notational conventions and performance practices they assume Part Two considers authenticity in

performance musical traditions and recordings A performance should follow the composer s instructions Departures from the

ideal are tolerable but faithfulness is central to the enterprise of work performance not merely an interpretative option When

musical cultures interact assimilation from within differs from destruction from without Even music subject to foreign

influences can genuinely reflect the musical traditions and social values of a culture however Finally while most works are for

live performance most performances are experienced via recordings which have their own distinctive characteristics This

comprehensive and original analysis of musical ontology discusses many kinds of music and applies its conclusions to issues as diverse as the authentic performance movement the cultural integrity of ethnic music and the implications of the dominance of recorded over live music

**Expressiveness in Music Performance** Dorottya Fabian, Renee Timmers, Emery Schubert, 2014

This book brings together researchers from a range of disciplines that use diverse methodologies to provide new perspectives and formulate answers to questions about the meaning means and contextualisation of expressive performance in music

*Philosophy of the Performing Arts* David Davies, 2011-05-02

PHILOSOPHY OF THE PERFORMING ARTS David Davies's *Philosophy of the Performing Arts* is long awaited. Not since Paul Thomas's *For an Audience* has a book in the Anglo-American philosophical tradition focused so clearly exclusively informatively and fairly on all the performing arts. I will use this book in my classes.

James Hamilton, Kansas State University, author of *The Art of Theater*. In this outstanding philosophical study, David Davies subjects the different conflicting literatures characterizing works, performances, and their relationships to critical review en route to developing his own integrated theory. Covering classical music to jazz, Shakespeare to Brecht, dance to performance art, this is essential reading for anyone interested in the performing arts.

Stephen Davies, University of Auckland, author of *The Philosophy of Art*. Philosophical inquiry concerning the performing arts has tended to focus on music specifically, classical music, which is assumed to provide a model for understanding the performing arts as a whole.

This book engages with this belief and critically explores how the classical paradigm might be extended to other musical genres, to theater and to dance. Taking in key components of artistic performance, improvisation, rehearsal, the role of the audience, the embodied nature of the artistic performer, the book examines similarities and differences between the performing art forms and presents the key philosophical issues that they bring into play. These reflections are then applied to the disputed issue of those contemporary artworks usually classified as performance art.

Assuming no prior knowledge of the subject matter, this book provides an accessible yet sophisticated introduction to the field and a comprehensive framework for thinking about the performing arts.

**Virtue or Virtuosity?** Jane O'Dea, 2000-09-30

Drawing upon the past two decades of burgeoning literature in philosophy of music, this study offers a comprehensive critical analysis of what is entailed in performance interpretation. It argues that integrity and other virtues offset the harm that virtuosity and rigid historical authenticity can impose on the perceptive judgment required of excellent musical interpretation.

Proposed are challenging and provocative reassessments of the appropriate roles for virtuosity and historical authenticity in musical performance. Acknowledging the competitive ethos of the contemporary music scene, it details the kind of character a performer needs to develop in order to withstand those pressures and to achieve interpretive excellence.

Performers are encouraged to examine and explore the ethical dimension of their art against their responsibilities to the diverse patrons they serve. Professional and student performers and instructors will appreciate this practical discussion of the ethical challenges performers confront when interpreting musical works.

The ethical discourse applies to instrumental performance studies, the history and theory of

music general music pedagogy and philosophy of music courses [Musical Performance](#) Guerino Mazzola,2010-11-16 This book is a first sketch of what the overall field of performance could look like as a modern scientific field but not its stylistically differentiated practice pedagogy and history Musical performance is the most complex field of music It comprises the study of a composition s expression in terms of analysis emotion and gesture and then its transformation into embodied reality turning formulaic facts into dramatic movements of human cognition Combining these components in a creative way is a sophisticated mix of knowledge and mastery which more resembles the cooking of a delicate recipe than a rational procedure This book is the first one aiming at such comprehensive coverage of the topic and it does so also as a university text book We include musicological and philosophical aspects as well as empirical performance research Presenting analytical tools and case studies turns this project into a demanding enterprise in construction and experimental setups of performances especially those generated by the music software Rubato We are happy that this book was written following a course for performance students at the School of Music of the University of Minnesota Their education should not be restricted to the canonical practice They must know the rationale for their performance It is not sufficient to learn performance with the old fashioned imitation model of the teacher s antetype this cannot be an exclusive tool since it dramatically lacks the poetical precision asked for by Adorno s and Benjamin s micrologic Without such alternatives to intuitive imitation performance risks being disconnected from the audience *The Performer's Role* Charise Y. Hastings,2006 Often overlooked in musical analysis the performer plays an important role in the recreation of musical works This dissertation incorporates the performer s perspective by focusing on social physical and mental processes of learning and playing music in the classical piano repertoire Drawing on studies in music and narrative the author argue that a narratological approach can extend beyond the listener s perspective to analyze the performer s experience Abstract

*Authenticities* Peter Kivy,1995 How are we to assess the current popularity of period instruments and early music performance For musicians and audiences alike the historical authenticity movement has increasingly influenced the performance of classical music It has given us claims Peter Kivy new and rewarding ways of listening to our musical repertory as well as silly vulgar and unrewarding ones He believes that theory now overrules the ear in arguing for and justifying particular aesthetic decisions In his customary engaging style Kivy here mounts a philosophical inquiry into the desirability of using or re creating historical performance Authenticity has become so widely accepted he writes that why it should be accepted has become an unasked indeed a forgotten question among the converted In *How to Be Authentic* the first section of his book he examines four different kinds of authenticity in the second part *Why to Be Authentic* he suggests how to evaluate them Discussing issues that he cares about passionately Kivy provides ammunition for both camps those who follow authentic performance practice and those who do not It is his hope that this book provides the groundwork for dialogue between musicians and philosophers I look forward to that he says and to being when it comes in the thick of things

## **Musical Performance A Philosophical Study Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Musical Performance A Philosophical Study PDF books and manuals is the internets largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to

focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Musical Performance A Philosophical Study PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Musical Performance A Philosophical Study free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

### FAQs About Musical Performance A Philosophical Study Books

**What is a Musical Performance A Philosophical Study PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Musical Performance A Philosophical Study PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Musical Performance A Philosophical Study PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Musical Performance A Philosophical Study PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobat's export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Musical Performance A Philosophical Study PDF?** Most PDF editing

software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
