Must You Go My Life With Harold Pinter:

Must You Go? Antonia Fraser, 2010-02-25 A unique testimony to modern literature's most celebrated and enduring marriage I first saw Harold across a crowded room but it was lunchtime not some enchanted evening and we did not speak When Antonia Fraser met Harold Pinter she was a celebrated biographer and he was Britain's finest playwright Both were already married Pinter to the actress Vivien Merchant and Fraser to the politician Hugh Fraser but their union seemed inevitable from the moment they met I would have found you somehow Pinter told Fraser Their relationship flourished until Pinter's death on Christmas Eve 2008 and was a source of delight and inspiration to them both until the very end Fraser uses her Diaries and her own recollections to tell a touching love story But this is also a memoir of a partnership between two of the greatest literary talents with fascinating glimpses into their creativity and their illustrious circle of friends from the literary political and theatrical world

Philip Roth Ira Bruce Nadel, 2021 In Philip Roth A Counterlife Ira Nadel exposes the multifaceted disposition of this major voice in American letters Roth the realist the ironist the ventriloquist the impersonator the bard In navigating the intricacies and dualities of the public and private Roth Nadel shows the complexities the contradictions and the counterlives both lived and imagined As literary sleuth Nadel has enriched the myriad possibilities for understanding this exacting and defiant writer and his work Professor Nadel's study is always very readable and compelling but its discussion of material that has never been accessed before is particularly exciting Philip Roth A Counterlife engages and illuminates the scenes of discontent betrayal illness and rage in Roth's own life that allow for new understandings of his work and relationships Drawing on such primary source material as interviews personal correspondence and site visits Nadel's biography penetrates the carefully composed narrative Roth presented publicly in order to present a counter Philip Roth one who is at once more sympathetic to his readers than critics realize and more dynamic than even his self creation allows Nadel seamlessly weaves his interpretations of Roth's most provocative texts into the story of Roth's own life a life shadowed by pain illness and personal injustices but also illuminated by the joys of writing ideas and friendships that will persist long after his death Book jacket "Something Dreadful and Grand" Stephen Watt, 2015 This book traces the often uncanny relationships between Irish and Jewish America arguing for the centrality of these two diasporic groups to the development of American popular music fiction and especially drama

Pinter's World William Baker, 2018-09-15 Pinter's World Pinter and Company is not a full scale biography but a series of illuminating chapters about Pinter's life character and thought employing new information found in his Appointment Diaries recent biographical sources such as Simon Gray's memoirs and Henry Woolf's reminiscences in addition to personal discussions with several in Pinter's world This book provides a fresh illumination of Pinter's life and art his friendships obsessions and concerns Material is arranged around themes key concerns Pinter's activities Pinter's meetings and endeavors for instance with whom he met and when when he wrote what and when and his perspective at the time are documented This work

explores Pinter's writing drama poetry prose journalism and letters which are here regarded as part of his aesthetic achievement Pinter's World Pinter and Company presents a pointillist portrait of him through examining central concerns in his life These encompass an obsession with the theater and games delight in restaurants demonstrating that Pinter is far removed from the socially awkward isolated figures populating his early work and the women in Pinter's world Other areas examined include Pinter's political engagement from his adolescence to his last years and the literary and other creative influences upon him This work draws upon consultation of his papers at the British Library including letters to others especially close friends with whom he kept close contact for over half a century These letters should be regarded on par with his other creative accomplishments Pinter was a fascinating letter writer whose letters reveal thoughts at the time of writing often in abrupt most colorful idiomatic language His Appointment Diaries cannot reveal what actually occurred during his meetings but they do provide a guide to what he did on a daily basis and whom he met Memories from his friends his professional colleagues cricket players and his second wife Antonia Fraser illuminate Pinter's personality and actions Pinter's first literary love was poetry and unlike most other Pinter studies this one gives attention to his neglected poetic output that often reveals the real Pinter and the enigma that is at the heart of every great artist *The Book of the British Library* Michael Leapman, 2012 As well as holding some of the world's most prized cultural treasures the British Library is the repository of the nation's collective memory Owing its origin to the generosity and far sightedness of a handful of 18th century scholars and booklovers and built up over 250 years the Library's very extensive collections of books manuscripts maps music newspapers photographs sound recordings stamps and digital media offer keys to the understanding of human achievement in literature art music politics journalism exploration and much else from ancient times to the present day In this highly illustrated book Michael Leapman tells the Library's story highlighting the most significant and beautiful items in its care as well as exploring some of the lesser known more surprising artifacts housed in its iconic building in the heart of London New Books on Women, Gender and Feminism, 2013 *New Books on Women and Feminism*, 2013 *Country Life Illustrated*, 2009 Dutch Quarterly Review of Anglo-American Letters, 1980 The Contemporary Review, 2011
