Mutineers Moon Dahak Series:

Mutineers' Moon David Weber, 1991 On a flight over the moon Lt Commander Colin MacIntyre's ship is seized by Dahak an ancient warship from the Galactic Imperium Contact with the Imperium must be restored and the Earth united to defend itself otherwise the planet is doomed

Mutineer's Moon David Weber, 1994-10-01 MUTINY For Lt Commander Colin MacIntyre it began as a routine training flight over the Moon For Dahak a self aware Imperial battleship it began millennia ago when that powerful artificial intelligence underwent a mutiny in the face of the enemy The mutiny was never resolved Dahak was forced to maroon not just the mutineers but the entire crew on prehistoric Earth Dahak has been helplessly waiting as the descendants of the loyal crew regressed while the mutineers maintained control of technology that kept them alive as the millennia passed But now Dahak's sensors indicate that the enemy that devastated the Imperium so long ago has returned and Earth is in their path For the sake of the planet Dahak must mobilize its defenses And that it cannot do until the mutineers are put down So Dahak has picked Colin MacIntyre to be its new captain Now MacIntyre must mobilize humanity to destroy the mutineers once and for all or Earth will become a cinder in the path of galactic conquest At the publisher's request this title is sold without DRM Digital Rights Management

Interstellar Patrol Christopher Anvil, 2003-04-01 A FEW GOOD CON MEN The starship crew was stuck on a planet where the well meaning schemes of ivory tower social engineers had created a nightmare of battling gangs So they pretended to be the Royal Legions from a distant star kingdom in hot pursuit of an unspeakably evil and nearly all powerful villain who was hiding somewhere on the planet Things went even better than they had hoped and the planet was rapidly becoming civilized and then the real Royal Flagship showed up They thought they were doomed but instead the new arrivals who also weren't quite what they claimed to be thought the crew had shown just the sort of initiative and ingenuity that the Interstellar Patrol was looking for So they were inducted into the Patrol And that was just the beginning At the publisher's request this title is sold without DRM Digital Rights Management I am delighted that someone is making Christopher Anvil's work available once again Especially the Interstellar Patrol stories I've always loved Anvil's peculiar sense of humor David Weber Anvil is insistently readable The Encyclopedia of Science Fiction
