Kohen, Dahlia V. Kohen-Gordon, 2001-01-20 *La Concierge* is a diary like book of fictionalized life like figures around whom revolve other individuals permanent presences or passersby engaged in their daily trivial or not so trivial activities It somewhat reminds one of books written by the French author Fran oise Sagan who became an instant success with her triad *Bonjour Tristesse* *Un Certain Sourire* and *Aimez vous Brahms* subtle character novels encompassing young girl diaries experiences night scenes of Sorbonne students endless sequences of dance spots and nightclubs until the wee hours love triangles and quadrangles The book is a mini version of Balzac s or Saroyan s *Comedie Humaine* and *Human Comedy* It is a sort of candid camera of the heart and modern mores more similar to camcorder images The collection of characters met as they come to pass around the Concierge desk also reminiscent of XVIIIth century s La Bruyere s *Caracteres* Characters With parading personages from the most attractive and personable to the exquisitely obnoxious the space around the Concierge desk is a living observation laboratory of psychological images and situations In this multiplicity of scenarios somehow similarly to La Bruyere s work the unifying thread is the master idea to expose the ridiculous and the false which in daily activities despite their meaninglessness arouse much passion and controversy **American Indian Quarterly** ,2000 *TV Fiction Classics Magazine* Sandy Thomas,1987 *The Pain of Obesity* Albert J. considering her ordinary writing as a site of complex and strategic negotiations among the writer the form of writing and dominant cultural scripts Sinor makes visible the extraordinary work of the ordinary writer and the sophistication of these texts In providing a way to read diaries outside the limits and conventions of literature she challenges our approaches to other texts as well Furthermore because ordinary writing is not crafted for aesthetic reception in contrast to autobiography proper memoirs and literary diaries it is a productive site for investigating how both writing and culture get made every day The book is truly original in its form nontraditional storied creative Sinor an accomplished creative writer includes her own memories as extended metaphors in partnership with critical texts along with excerpts from her aunt s diary The Extraordinary Work of Ordinary Writing will be a fascinating text for students of creative writing as well as of women s studies and diaries
