## **My Bright Abyss Meditation Of A Modern Believer:**

My Bright Abyss Christian Wiman,2013-04-02 Seven years ago Christian Wiman a well known poet and the editor of Poetry magazine wrote a now famous essay about having faith in the face of death My Bright Abyss composed in the difficult years since and completed in the wake of a bone marrow transplant is a moving meditation on what a viable contemporary faith responsive not only to modern thought and science but also to religious tradition might look like Joyful sorrowful and beautifully written My Bright Abyss is destined to become a spiritual classic useful not only to believers but to anyone whose experience of life and art seems at times to overbrim its boundaries How do we answer this burn of being Wiman asks What might it mean for our lives and for our deaths if we acknowledge the insistent persistent ghost that some of us call God One of Publishers Weekly s Best Religion Books of 2013

## **Secularism and the Pursuit of Transcendence, Volume II**

Stanley E. Porter,Wendy J. Porter,2025-02-19 We live in a secular age or so we have been told Nevertheless the Christian church strongly believes that we still experience and in fact are surrounded by acts of transcendence encounters with God that often defy imagination and explanation And yet we do try to explain such phenomena whether theologically experientially biblically historically philosophically literarily or even or especially artistically These two volumes are more than just papers from a major conference on secularism and the pursuit of transcendence held at McMaster Divinity College in Hamilton Ontario They contain genuine attempts by people deeply engaged with their secular surroundings to explain what we mean by transcendence Transcendence has been a longstanding topic among the best thinkers of this and previous ages and the same is true for these volumes which include contributions by Charles Taylor Robert Wuthnow Merold Westphal and Christina Gschwandtner but also by a wide range of others who address the question from divergent vantage points The responses vary as much as the orientations of those involved in the pursuit of defining not only what it means to live in our secular age but to be involved in the pursuit of transcendence or even to perceive the Transcendent s pursuit of us

He Held Radical Light Christian Wiman,2018-09-11 A moving meditation on memory oblivion and eternity by one of our most celebrated poets What is it we want when we can t stop wanting And how do we make that hunger productive and vital rather than corrosive and destructive These are the questions that animate Christian Wiman as he explores the relationships between art and faith death and fame heaven and oblivion Above all He Held Radical Light is a love letter to poetry filled with moving surprising and sometimes funny encounters with the poets Wiman has known Seamus Heaney opens a suddenly intimate conversation about faith Mary Oliver puts half of a dead pigeon in her pocket A R Ammons stands up in front of an audience and refuses to read He Held Radical Light is as urgent and intense as it is lively and entertaining a sharp sequel to Wiman s earlier memoir My Bright Abyss

Take and Read Paul G. Doerksen,2016-09-22 Take and Read is a collection of essays first presented as oral theological reflections on books written to stimulate conversations among diverse groups of readers which included farmers physicians teachers poets novelists scientists people involved in business finance relief work

and many other walks of life ranging in age from twenty something to eighty These reflections introduce and offer samples of theological readings of a variety of books The result is a collection of essays addressing a wide range of topics from food security to violence from dementia to indigenous issues Perhaps this book is best described as an invitation to joining a conversation about books and more importantly about God Can I Believe? John G. Stackhouse,2020 Maybe Christianity is actually true Maybe it is what believers say it is Indeed although there are many many other options today Christianity has more adherents than any other religion in the world Why How is it possible for modern people to believe this story of miracles and triumph over death This book begins by establishing how faith should be properly grounded in knowledge It than clears away misunderstandings about the basic story of the Christian religion misunderstandings that repel reasonable people who might otherwise be intrigued John Stackhouse outlines the reasons why two billion people find this religion persuasive making it the most popular explanation of everything in human history He responds to the reality that so many people find Christianity utterly implausible not least because of the persistence of the problem of evil which seems to undercut everything Christianity asserts Grounded in scholarship but never ponderous Can I Believe refuses to doge the hard questions as it welcomes the intelligent inquirer to give Christianity at least one good look Book jacket

**The Virginia Quarterly Review** ,2013 Every Riven Thing Christian Wiman,2025-09-23 A vibrant new collection from one of America s most talented young poets Every Riven Thing is Christian Wiman s first collection in seven years and rarely has a book of poetry so borne the stamp of necessity Whether in stark haiku like descriptions of a cancer ward surrealistic depictions of a social order coming apart or fluent defiant outpourings of praise Wiman pushes his language and forms until they break open revealing startling new truths within The poems are joyful and sorrowful at the same time abrasive and beautiful densely physical and credibly mystical They attest to the human hunger to feel existence even at its most harrowing and the power of art to make our most intense experiences not only apprehensible but transfiguring **Zero at the Bone** Christian Wiman,2023-12-05 Christian Wiman braids poetry memoir and criticism to create an inspired career defining work Few contemporary writers ask the questions about faith morality and God that Christian Wiman does and even fewer perhaps none do so with his urgency and eloquence Wiman an award winning poet and the author of My Bright Abyss lays the motion of his mind on the page in this genre defying work an indivisible blend of poetry criticism theology and searing memoir As Marilynne Robinson wrote Wiman s poetry and his scholarship have a purifying urgency that is rare in this world It enables him to say new things in timeless language so that the reader s surprise and assent are one and the same Zero at the Bone begins with Wiman s preoccupation with despair and through fifty brief pieces he unravels its seductive appeal The book is studded with the poetry and prose of writers who inhabit Wiman s thoughts and the voices of Wallace Stevens Lucille Clifton Emily Dickinson and others join his own At its heart and Wiman s however are his family his young children who ask their own invaluable questions like Why are you a poet I mean why his wife and those he grew up with in West Texas Wiman is the

rare thinker who takes on the mantle of our greatest mystics and does so with an honest profound and contemporary sensibility *Zero at the Bone* is a revelation     ***Survival Is a Style*** Christian Wiman,2020-02-04 Named as a 2020 Book of the Year by The Times Literary Supplement *Survival Is a Style* Christian Wiman s first collection of new poems in six years may be his best book yet His many readers will recognize the musical and formal variety the voice that can be tender and funny credibly mystical and savagely skeptical But there are many new notes in this collection as well including a moving elegy to the poet s father sharp observations and distillations of modern American life and rangy poems that merge and juxtapose different modes of speech and thought The cumulative effect is extraordinary Reading *Survival Is a Style* one has the sense one is encountering work that will become a permanent part of American literature     ***Hammer Is the Prayer*** Christian Wiman,2016-11-15 A visionary selection from one of America s foremost poets One of the most distinctive voices in

contemporary American poetry Christian Wiman has forged a singular style that fuses a vivid and propulsive music with clear eyed realism wry humor and visionary lament In his daring and urgent *The New York Times* Book Review memoir *My Bright Abyss* he asks What is poetry s role when the world is burning *Hammer Is the Prayer* Selected Poems might be read as an answer to that question From the taut forms of his first book to the darker more jagged fluencies of his second into the bold and pathbreaking poems of his last two collections *Hammer Is the Prayer* bears the reckless restless interrogations and the slashing lyric intensity that distinguish Wiman s verse But it also reveals the dramatic and narrative abilities for which he has been widely praised the junkyard man in *Five Houses Down* with his wonder cluttered porch and the eyesore opulence of his five partial cars or the tragicomic character in *Being Serious* who suffers the world s idiocy like a saint its pains *Hammer Is the Prayer* brings together three decades of Wiman s acclaimed poetry Selected by the author these poems reveal the singular music and metaphysical urgency that have attracted so many readers to his work and firmly assert his place as one of the most essential poets of our time     ***Once in the West*** Christian Wiman,2014-09-09 One of *The New York Times* 10

Favorite Poetry Books of 2014 National Book Critics Circle Award Finalist A searing new collection from one of our country s most important poets *Memories mercies mostly aren t but there were I swear days veined with grace from Memory s Mercies Once in the West* Christian Wiman s fourth collection is as intense and intimate as poetry gets from the suffering of primal silence that it plumbs to the rockshriek of joy that it achieves and enables Readers of Wiman s earlier books will recognize the sharp characterizations and humor From her I learned the earthworm s exemplary open mindedness its engine of discriminative shit as well as his particular brand of reverent rage Lord if I implore you please just please leave me alone is that a prayer that s every instant answered But there is something new here too moving love poems to his wife tender glimpses of his children and amid the onslaughts of illness and fear and failures a trace of peace     ***Joy*** Christian Wiman,2019-11-12 One hundred of the most evocative modern poems on joy selected by an award winning contemporary poet Bursting with energy and surprising locutions Even the most familiar poets seem somehow new within the context of Joy

David Skeel Wall Street Journal Wiman takes readers through the ostensible ordinariness of life and reveals the extraordinary Adrianna Smith The Atlantic Christian Wiman a poet known for his meditations on mortality has long been fascinated by joy and by its relative absence in modern literature Why is joy so resistant to language How has it become so suspect in our times Manipulated by advertisers religious leaders and politicians joy can seem disquieting even offensive How does one speak of joy amid such ubiquitous injustice and suffering in the world In this revelatory anthology Wiman takes readers on a profound and surprising journey through some of the most underexplored terrain in contemporary life Rather than define joy for readers he wants them to experience it Ranging from Emily Dickinson to Mahmoud Darwish and from Sylvia Plath to Wendell Berry he brings together diverse and provocative works as a kind of counter to the old modernist maxim light writes white no agony no art His rich selections awaken us to the essential role joy plays in human life [The Dance](#) Christian Wiman,2026-07-07 A new book of poetry from the celebrated poet and essayist who has wrestled eternity onto the page The New York Times Few contemporary writers ask the questions about faith morality and God that Christian Wiman does and even fewer perhaps none do so with his urgency and eloquence In his seventh book of poetry The Dance Wiman is at the height of his powers These searching sharp wide ranging poems are a testament to the staying power of a poetic voice we will be reading for years to come
