MY AUTOBIOGRAPHY

I am Alea Mae D. Benitez, I was born on May 7, 2000 in Pasay City, Philippines. We are two siblings in the family, I am the second child. My mother's name is Divina D. Benitez from Sorsogon, Bicol. My father's name is Nelson D. Benitez. And he is from Camarines Sur, Bicol.

During weekends, we usually spend our days in the family. We always go to church. We helped each other in our activities. My family was a happy and loving family. I had a happy childhood living with my parents and my siblings. I completed my elementary education at Don Carlos Velez Elementary School. During my junior high school, I completed my junior high school at President Corazon Aquino National High School and I usually spend my time with my friends. Since the lockdown, I have a daily routine with my friend for a Google meet until dawn, and we do various things when we do, such as talk about what is going on in our lives and watch movies that have been shown several times. We have been watched pitch perfect all seasons. I finished it several times. When I am not with them, I watch shows like Mr. Queen and Ghost Doctor. And I am a senior at Pasay City South High School, I work hard at everything I can to get into a good university where I can go to college.

My Autobiography Neversink:

The Graveyard Marek Hlasko, 2013-12-03 History has no use for witnesses When Marek Hlasko sent this novel to publishers in Poland in the mid 1950s it was uniformly rejected When he asked why he was told This Poland doesn't exist Long out of print *The Graveyard* is Hlasko's portrait of a system built on such denial and willful blindness Factory worker Franciszek Kowalski is on his way home one evening after drinking with an old friend from the People's Army when he unthinkingly yells some insults at a policeman His outburst is taken as criticism of the government and he is arrested and then expelled from the Party Kowalski attempts to rehabilitate himself by gathering testimonies from the men he had fought alongside but each meeting with his former comrades takes him further into the underworld that he realizes has been there all along Written midway through Hlasko's meteoric career *The Graveyard* set its author and the Polish Communist government implacably against each other and it's easy to see why Hlasko pulls no punches in portraying a regime that is maintained by constant surveillance intimidation and profound psychological manipulation A classic novel of political disillusionment from one of Poland's seminal writers an original Angry Young Man who lived fast died young and wrote brilliantly

The Oasis Mary McCarthy, 2013-06-11 A vicious and brilliant satire of human vanity from the author of the classic bestseller *The Group* Long out of print Mary McCarthy's second novel is a biting funny satire set in the early years of the Cold War about a group of writers editors and intellectuals who retreat to rural New England to found a hilltop utopia With this group loosely divided into two factions purists led by the libertarian editor Macdougall Macdermott and the realists skeptics led by the smug Will Taub the situation is ripe not only for disaster but for comedy as reality clashes with their dreams of a perfect society Though written as a roman clef McCarthy barely disguised her characters including using her former lover Philip Rahv founder of *Partisan Review* as the model for Will Taub As a result the novel caused an absolute explosion of outrage among the literary elite of the day who clearly recognized themselves among her all too accurate portraits Rahv threatened a lawsuit to stop publication Diana Trilling Lionel Trilling's wife called McCarthy a thug McCarthy's friend Dwight McDonald Macdougall Macdermott called it vicious malicious and nasty Never one to shy away from controversy McCarthy's portrait of her generation had indeed drawn blood But the brilliance of the novel has outlasted its first detonation and can now be enjoyed for its aphoristic fearless dissection of the vanities of human endeavor In an added bonus the renowned essayist Vivian Gornick details in a moving introduction the importance of McCarthy's intellectual and artistic bravery and how she influenced a generation of young writers and thinkers

The Art and Practice of Costume Design Melissa Merz, 2016-09-19 In *The Art and Practice of Costume Design* a panel of seven designers offer a new multi-sided look at the current state and practice of theatrical costume design Beginning with an exploration of the role of a Costume Designer the subsequent chapters analyse and explore the psychology of dress the principles and elements of design how to create costume renderings and collaboration within the production The book also takes a look at the costume
